

RAFID JUNDI | Chemical Analyst

Phone: +6281291241565 | rafid.jundi06@gmail.com | LinkedIn: Rafid Jundi | Bekasi

PROFILE

Fresh graduate from IPB University Diploma IV in Chemical Analysis with professional experience in quality control and process development analysis through internships at PT Reckitt Benckiser Indonesia which handled brand Dettol, Harpic & Vanish and PT Sumi Asih. Demonstrates proficiency in operating analytical instruments, including HPLC, UPLC, UV-Vis Spectrophotometry, and FT-NIR, as well as conducting titrimetric analysis. Certified in Chemical Analysis by BNSP, with a strong interest in analytical testing, quality control, and instrumentation. Highly motivated to apply technical expertise, develop professional competencies, and contribute effectively to a dynamic organization.

EDUCATION

IPB University

Applied Bachelor in Chemical Analysis – GPA 3.12 / 4.00

Aug 2022 – Aug 2026

WORK EXPERIENCES

PT Reckitt Benckiser Indonesia

Process Development Intern

Feb - Aug 2026

- Analyzing the active ingredient content in samples using HPLC, UPLC, Spectro UV-Vis, and FT-NIR
- Analyzing the samples product bulk and finish good for Dettol, Harpic & Vanish brand
- Perform curve study analysis of pH and viscosity on samples
- Conducting analytical method validation projects for method development from HPLC to UPLC
- Compile reports and documentation of sample analysis results

PT Sumi Asih

Quality Control Intern

July - Nov 2025

- Assist analysts in analyzing raw material product samples
- Perform titrimetric analysis on samples in the petrochemical field
- Conduct wastewater analysis of physical and chemical parameters every day according to specifications

CERTIFICATION

Certificated of Competence by BNSP

Competency of Chemical Analyst

Dec 2025

- Conduct conventional, titrimetric, and instrumental analysis following the procedure
- Apply OHS in laboratory and use PPE according to the procedure

ACHIEVEMENT

- **I Sinergie PTSN Malaysia**

Gold Medal International Essay Competition

Oct 2025

ORGANIZATION EXPERIENCE

- **Vocational Student Association (HIMA Vokasi)**

Public Relations Division Staff

Jul 2024

ADDITIONAL

Skill : Instrumen Analysis, Time Management, Project Management, Problem Solving, Team Work

Software : Microsoft Office, Google Workspace, Canva
