PROFESSIONAL SUMMARY

Bachelor of Pharmacy and Pharmacist Professional Program graduate with a strong interest in Pharmaceutical Supply Chain, Purchasing, and Procurement. Experienced through professional internships in pharmaceutical manufacturing, hospitals, community pharmacy, and pharmaceutical distribution, with exposure to material planning, purchasing processes, supplier evaluation, Purchase Order (PO) management, and incoming material requirements. Familiar with Material Requirement Planning (MRP), Master Production Schedule (MPS), supplier qualification, CPOB/GMP, quality documentation, and inventory management. Detail-oriented, analytical, systematic, and collaborative, with a strong commitment to supply continuity, regulatory compliance, supplier performance, and operational efficiency.

EDUCATION

Universitas Padjadjaran August 2025 - August 2026
Pharmacist Professional Program
specialization: Quality Assurance (Pharmaceutical Industry) | IPK: 3.81/4.00
Universitas Lampung August 2021 - January 2025
Bachelor of Pharmacy | Graduated in 3.4 years | IPK: 3.87/4.00

PROFESSIONAL EXPERIENCE

Pharmacist Professional Internship – PT Millennium Pharmacon International Tbk, April 2026 - May 2026
Bandung Branch

- Applied Good Distribution Practices (CDOB) and Good Distribution Practices for Medical Devices (CDAKB) in daily pharmaceutical and medical device distribution operations, ensuring compliance with regulatory requirements and company SOPs.
- Performed receiving, storage, picking, packing, and dispatch activities while maintaining product quality, traceability, and inventory integrity throughout the distribution process.
- Prepared and maintained distribution records and quality documentation, while supporting quality assurance activities through compliance monitoring, SOP implementation, and corrective actions for distribution processes.

Pharmacist Professional Internship – Kimia Farma Pharmacy Jatinangor March 2026 - April 2026

- Performed prescription screening and assisted in dispensing medications under pharmacist supervision, ensuring accuracy and compliance with pharmacy service standards.
- Maintained pharmacy documentation and collaborated with pharmacists to support efficient pharmacy operations and regulatory compliance.

Pharmacist Professional Internship – PT Errita Pharma January 2026 - March 2026

- Gained exposure to Supply Chain operations, including material planning, purchasing, warehouse management, and procurement of raw and packaging materials.
- Studied MRP and MPS processes for determining material requirements to support pharmaceutical production.
- Learned purchasing and supplier selection processes, including quotation evaluation, price and TOP considerations, and Purchase Order (PO) issuance.
- Gained knowledge of supplier qualification and performance evaluation based on delivery, documentation, quality, complaint handling, and environmental criteria.
- Reviewed incoming material requirements, including CoA, PO, Material Receive Note, material identity, quantity, physical condition, and quality specifications.
- Developed knowledge of inventory control, supply continuity, CPOB/GMP, quality risk management, CAPA, and deviation management.

E-Commerce Administrator – Duendels Studio April 2024 – January 2025

- Managed daily marketplace operations across multiple e-commerce platforms, ensuring accurate order processing and timely fulfillment.
- Responded promptly to customer inquiries and complaints while supporting smooth day-to-day e-commerce operations.

Teaching Assistant – Pharmaceutics Laboratory Department of Pharmacy, August 2022 – August 2024
Universitas Lampung

- Assisted undergraduate students during laboratory sessions while ensuring compliance with laboratory safety procedures.
- Provided guidance and constructive feedback to enhance students' practical understanding.
- Supported laboratory assessment and evaluation activities.

LEADERSHIP & ORGANIZATIONAL EXPERIENCE

HIMAFARSI Universitas Lampung

August 2023 – June 2024

Head of Human Resource and Organizational Development Department

- Lead member development programs and organizational capacity-building initiatives.
- Coordinated training programs, mentoring activities, and organizational evaluations.

PHARMALATION

Sept 2023
