Purwokerto, Indonesia | +62 882 1654 9397 | inesyulianti64@gmail.com | linkedin.com/in/nurinesyulianti

I am a pharmacist whose interest in Pharmaceutical Industry. Through practical experiences, I have developed a strong drive to engage in the end-to-end pharmaceutical manufacturing lifecycle. I am highly eager to contribute across key industrial operations, including Research and Product Development, Quality Assurance and Control (QA/QC), and Regulatory Affairs. I possess proven skills in project management, leadership, critical thinking, and public speaking, acquired through extensive organizational, committee, and volunteer involvement. Highly motivated to constantly develop skills and learn from every opportunity.
