Demak, Jawa Tengah

Final-year Pharmacist Professional Program student at Institut Teknologi Bandung with experience in pharmaceutical manufacturing, GMP/CPOB implementation, quality systems, regulatory compliance, and pharmaceutical distribution. Experienced in oncology manufacturing operations involving material dispensing, formulation, sterile production, packaging, and batch documentation. Demonstrated strong analytical, problem-solving, leadership, and cross-functional collaboration skills, with a commitment to operational excellence, continuous improvement, and production target achievement in pharmaceutical manufacturing environments.

Work Experiences

PT Global Onkolab Farma - East Jakarta, Indonesia

Jan 2026 - Feb 2026

Apothecary Intern – Production Department

- Participated in GMP/CPOB-compliant manufacturing operations for oncology tablets and sterile injectable products.
- Executed material dispensing, weighing, staging, formulation, packaging, and batch documentation activities.
- Maintained compliance with SOPs, GMP requirements, line clearance procedures, and production documentation standards.
- Collaborated with Production, QA, QC, Engineering, Warehouse, and Supply Chain teams to support efficient manufacturing operations.
- Supported deviation investigation and continuous improvement initiatives to enhance process reliability and operational effectiveness.

SwipeRx (PT Teknologi Medika Pratama) - Depok, Indonesia

Apr 2026

Apothecary Intern – Pharmaceutical Distribution

- Supported pharmaceutical distribution operations through a digital supply chain platform serving pharmacy networks.
- Analyzed sales and distribution data to support operational decision-making and product availability planning.
- Collaborated with operations, commercial, and pharmacy stakeholders to improve workflow efficiency and service reliability.
- Ensured compliance with GDP/CDOB requirements and documentation standards.

Balai Besar Pengawas Obat dan Makanan di Bandung - Bandung, Indonesia

Oct 2025

Apothecary Intern – Regulatory Enforcement and Compliance

- Participated in inspections and surveillance of pharmaceutical and food products.
- Assisted in compliance verification, labeling review, and regulatory documentation.
- Conducted cyber-surveillance to identify unauthorized products and regulatory violations.
- Evaluated regulatory compliance requirements through inspection, surveillance, and documentation review activities.

Muhammadiyah University of Surakarta - Surakarta, Indonesia

Sep 2024 - Jan 2025

Food and Cosmetics Analysis Lab Assistant

- Conducted analytical testing using HPLC, UV-Vis, and AAS.
- Trained and supervised 30+ students in laboratory operations, analytical techniques, and laboratory safety practices.
- Assisted laboratory operations, analytical documentation, and workflow optimization initiatives.
- Supported laboratory learning activities through quality assurance and compliance testing aligned with BPOM standards.

PT Enseval Putera Megatrading - Surakarta, Indonesia

Aug 2024

Pharmacist Intern – Distribution Operations

- Managed inventory control and distribution documentation processes to support product availability and operational accuracy.
- Applied GDP/CDOB principles in pharmaceutical storage and distribution activities.
- Assisted inventory discrepancy resolution and operational improvement initiatives.
- Collaborated across departments to support efficient supply chain execution.

Muhammadiyah University of Surakarta - Surakarta, Indonesia

Feb 2023 - Jul 2023

Microbiology Lab Assistant

- Conducted microbiological testing, culturing, staining, and PCR-based analyses.
- Maintained laboratory sterilization, equipment readiness, contamination control, and laboratory safety procedures.
- Trained and supervised 40+ students in microbiology laboratory techniques.
- Supported laboratory quality assurance and compliance activities.

Education Level

Bandung Institute of Technology - Bandung, Indonesia

Aug 2025 - Sep 2026 (Expected)

Pharmacist Professional - Apothecary

Bachelor of Pharmacy, 3.92/4.00

- Graduated Cum Laude as the Top 3 University Graduate (2025) and Top 1 Faculty of Pharmacy Graduate (2025).
- First Author of a Scopus Q2 publication in the Journal of Applied Pharmaceutical Science (2025).
- Invited speaker at the Student Research Colloquium, presenting strategies for Scopus Q2 publication to 80+ participants.
- Awarded Outstanding Student (2023).

Organizational Experience

Gebyar Mahasiswa Farmasi UMS - Surakarta, Indonesia

Aug 2023 - Oct 2023

Equipment Coordinator

- Led coordination of 15+ committee members and stakeholders to ensure operational readiness and successful project execution.
- Managed resource allocation, equipment logistics, and issue resolution under tight deadlines.
- Ensured activities were completed on schedule through effective communication and team coordination.

Skill, Competencies, & Achievements

- **Language:** Indonesian, English.
- **Technical Skills:** Microsoft Office, IBM SPSS, GraphPad Prism.
- **Core Competencies:** Pharmaceutical Manufacturing, GMP/CPOB Compliance, Quality Systems, Regulatory Compliance, Production Documentation, Supply Chain Operations, Data Analysis, Leadership, Cross-functional Collaboration, Problem Solving, Continuous Improvement.
- **Achievements:** Awarded a bronze medal for Revolutionizing Climate Change Education through VR (Malaysia Technology Expo, 2024), followed by another bronze medal of STECAV: SCP-Based Food Supplement for Protein Deficiency Prevention (NRCT Thailand, 2023), & capped with a silver medal of Pedada Mangrove Hepatoprotective Capsules (SGOT/SGPT Biomarkers) (Indonesia Inventors Day, 2022).
- **Additional Information:** Eligible to obtain Pharmacist Registration and licensing requirements upon completion of the Professional Pharmacist Program; Willing to work in rotating shifts (1, 2, and 3) and off-shift manufacturing operations.
