SUMMARY

Passionate and dedicated Hospital Pharmacist with Bachelor's Degree in Pharmacy from Syarif Hidayatullah State Islamic University Jakarta. Have 2+ years of professional experience as a Clinical Pharmacist in managing and dispensing medication for patients. Skilled in team leadership, collaboration, drug information, and inventory control. I have strong expertise in coordinating pharmacy activities, ensuring compliance with regulations, and maintaining relationships with medical staff. My skills are further strengthened by a certification from the Hermina Learning Center, enhancing my ability to handle clinical pharmacy tasks efficiently.
