081210208518 | ghinaalifah.id@gmail.com | [linkedin.com/in/ghinanuralifah](https://www.linkedin.com/in/ghinanuralifah)

Bojongsari Kota Depok, Jawa Barat

Pharmacist from Padjadjaran university with multidisciplinary internship experience in pharmaceutical industry, hospital, and distribution. During my internship in Research & Development, I participated in pilot-scale manufacturing, in-process control (IPC), product development documentation, and validation activities, strengthening my interest in pharmaceutical formulation and product development. Familiar with good manufacturing practice (GMP), good laboratory practice (GLP) and pharmaceutical documentation. Highly adaptable, strong teamwork communication skills and enthusiast about developing my career in the pharmaceutical industry.
