Licensed Pharmacist (Apoteker) with hands-on exposure to GMP/CPOB (oncology manufacturing at PT Fonko/Dexa Group), CDOB wholesale distribution. Proven track record in pharmaceutical research. Proficient in QA/QC principles, analytical testing (FTIR, UV-Vis), and regulatory compliance. Seeking a Quality Assurance, Quality Control, Regulatory Affairs, or R&D role in the pharmaceutical industry.

EDUCATION

Professional Pharmacist Program (Apothecary)

Padjadjaran University (UNPAD), Bandung

- Passed the Indonesian Pharmacist Competency Examination with cumulative 3.80/4.00
- **Specialized Focus:** Advanced training in GMP compliance, quality assurance, pharmaceutical documentation, and regulatory requirements

Bachelor of Pharmacy (S.Farm)

University of Muhammadiyah Prof. Dr. Hamka (UHAMKA), Jakarta

- Graduated in 3.5 years (7 semesters) with honors. Cumulative 3.64/4.00
- **Undergraduate Thesis:** Optimized Natural Deep Eutectic Solvents (NADES) mimicked from honey for green extraction of phenolic compounds from basil stem waste using Response Surface Methodology (RSM)

WORKING EXPERIENCE

Warehouse Intern - **PT Fonko International Pharmaceuticals (Member of Dexa Group)**, Cikarang, Indonesia
Mar-Apr 2026

- **Quality Control & Material Traceability:** Conducted warehouse product quality inspections and managed batch/lot numbering and stock movements for oncology raw materials and finished goods in an EU GMP/TGA/PIC/S facility
- **Export Packaging & Shipping Documentation:** Facilitated overseas shipment preparation by drafting export documentation and planning validated tertiary packaging to preserve product quality during international transport
- **Reject Product Destruction & GMP Storage:** Handled non-conforming/rejected product disposal protocols and managed cold-chain storage operations for oncology injectables under strict CPOB guidelines
- **Audit Readiness & AEO Compliance:** Maintained traceability logs and receiving records supporting audit-readiness and the Authorized Economic Operator (AEO) supply-chain security program

Pharmaceutical Distribution - **PT Millennium Pharmacon International**, Bandung, Indonesia Feb 2026

- **Oracle ERP & Stock Opname:** Performed daily stock opname for medical devices and synchronized inventory logs using Oracle ERP to ensure 100% data accuracy and inventory control
- **Product Returns & Quarantine Handling:** Executed GDP/CDOB-compliant protocols for pharmaceutical product returns, quarantine management, and expired/damaged goods isolation
- **CDOB Regulatory & Cold Chain Verification:** Inspected inbound/outbound shipment documentation for batch traceability while monitoring temperature-controlled cold chain storage conditions

Hospital Pharmacy - **RSUP Fatmawati**, Jakarta, Indonesia Nov-Dec 2026

- **Medication Therapy Management (PTO) & Evaluation:** Conducted Therapeutic Drug Monitoring (PTO) on 40+ inpatient cases, performing clinical evaluations using SOAP framework and PCNE classification to identify and resolve Drug-Related Problems (DRPs)
- **Medication Reconciliation & Indication Review:** Performed medication reconciliation for 6+ patients with extended hospital stays (5+ days), aligning prescribed drug regimens with clinical diagnoses and patient medical histories
- **Prescription Screening & Drug Interaction Analysis:** Screened 50+ complex prescriptions for administrative, pharmaceutical, and clinical appropriateness, including comprehensive drug interaction checks

Community Pharmacy - **Apotek Al-Masoem**, Bandung, Indonesia Jan 2026

- **Patient Counseling & Inventory Control:** Provided patient drug counseling, OTC dispensing, and managed pharmacy stock levels, including FEFO/FIFO expiry-date monitoring following standard operating procedures

LABORATORY TEACHING ASSISTANT EXPERIENCE

Sterile Laboratory Practice - University of Muhammadiyah Prof. Dr. Hamka Jan 2024-Jul 2025

- **Aseptic Technique & LAF Operation:** Operated and maintained Laminar Air Flow (LAF) cabinets, enforcing strict aseptic techniques, personal protective equipment (PPE), and aseptic workspace preparation in compliance with CPOB/GMP guidelines
- **Sterile Preparation & Quality Control:** Prepared sterile dosage forms (small-volume parenterals/eye drops) and conducted fundamental quality control tests, including clarity testing, particulate matter inspection, and pH verification

Pharmacognosy Practice - University of Muhammadiyah Prof. Dr. Hamka Sep 2023-Feb 2023

- **Raw Material & Herbal Extract Quality Control:** Conducted quality control and identity verification of medicinal plant raw materials (*simplisia*) through organoleptic, macroscopic, microscopic, and analysis in alignment with Farmakope Herbal Indonesia
- **Raw Material Characterization & Extraction:** Supervised students in crude drug standardization (measuring moisture content, drying loss, total ash value) and executed primary extraction techniques (maceration/infusion)

Physiology & Anatomy Practice - University of Muhammadiyah Prof. Dr. Hamka Oct 2021-Nov 2022

- **Supervision & Safety:** Supervised 50+ students in physiological experiments, drug mechanism analysis, laboratory equipment maintenance, and safety compliance

ORGANIZATIONAL EXPERIENCE

Head of Scientific Community - Himpunan Mahasiswa Farmasi, UHAMKA Dec 2022 – Sep 2023

- Led a team of 8 members organizing scientific seminars, workshops, and academic discussions for 200+ pharmacy students. Enhanced scientific literacy and research culture within the pharmacy student community
- Delegated responsibilities across multiple concurrent projects while facilitating knowledge-sharing between students and faculty

RESEARCH, CERTIFICATIONS & COMPETITIONS

Research & Grants

- **PKM-RE Research Grant Recipient** - Kemendikbud Ristek 2024-2025
Title: Green-Solvent (NADES) Extraction of Phenolic Compounds from Basil Stem Waste for Antioxidant & Antihypercholesterolemia Applications (Grant: IDR 8,500,000)

Scientific Competitions

- **2nd Place** - PHARMACITO Scientific Essay Competition, Universitas Muhammadiyah Yogyakarta 2024
Title: Transdermal patch sitosome formulation for chronic kidney failure therapy
- **2nd Place** - PHARMACOVENT 10th X Festival JABODELATA Scientific Essay Competition, UHAMKA 2024
Title: Gummy candy formulation from asparagus root extract for coronary heart disease therapy
- **3rd Place** APTFMA Pharmacy Student Scientific Writing Competition 2023
Title: Herbal antibacterial mouthspray formulation from *Abrus precatorius* extract

Honors & Scholarships

- **Outstanding Student** - Faculty of Pharmacy, UHAMKA 2024
Selected to represent the Faculty of Pharmacy in UHAMKA in Pilmapres competition
- **Outstanding Student Scholarship Recipient** - UHAMKA 2024-2025

PROFESSIONAL COMPETENCIES

Quality & Regulatory: CPOB/GMP, CDOB/GDP, EU GMP/PIC/S Awareness, PMK Standards, AEO Framework, Good Documentation Practice (GDP)

QC & Technical Testing: FTIR, UV-Vis Spectrophotometry, Sterility Testing, Aseptic Technique & LAF Operation, Raw Material & Herbal Standardization

Professional Skills: Project Leadership, Analytical Problem-Solving, Cross-Functional Teamwork, Detail-Oriented Compliance
