SUMMARY

Pharmacist professional with structured exposure to pharmaceutical manufacturing, GMP implementation, and SOP-based production workflows. Strong leadership background with proven capability in team coordination and process discipline.

EDUCATION

INSTITUT TEKNOLOGI BANDUNG (ITB) | Feb 2025 – Feb 2026

Pharmacist Professional Program (Apoteker) | GPA 3.93/4.00 (Summa Cum Laude)

UNIVERSITAS BHAKTI KENCANA | Sep 2020 – Sep 2024

Bachelor of Pharmacy (S.Farm) | GPA 3.80/4.00 (Cum Laude)

EXPERIENCE

PRODUCTION INTERN (PKPA) – PT KIMIA FARMA PLANT BANJARAN | Apr 2025

- Reviewed SOP-based pharmaceutical production processes to ensure 100% compliance with CPOB/GMP standards
- Gained proficiency in GMP-compliant production workflows, covering the entire cycle from raw material dispensing to finished product packagingObserved warehouse management and distribution activities, including FIFO/FEFO implementation
- Acquired a comprehensive overview of Quality Assurance (QA) and Quality Control (QC) systems, including environmental monitoring and in-process control (IPC) protocols

PHARMACIST INTERN (PKPA) – PT TEKNOLOGI MEDIKA PRATAMA (SWIPERX) | Sept 2025

- Verified Marketing Authorization Number (NIE) for all incoming products
- Managed receiving process, warehouse operations, as well as picking and packing activities
- Organized and archived precursor-related invoices
- Monitored and maintained stock levels
- Reviewed and approved precursor product orders

LEADERSHIP ACTIVITIES

REGIONAL COORDINATOR - ISMAFARSI | Jun 2022 – Jun 2024

- Represented Secretary General by proactively leading and coordinating all activities for the Student Executive Institute within the region, fostering regional autonomy and effective collaboration
- Led and coordinated total 20+ activities for the Student Executive Board in the Priangan region.
- Coordinated periodically with 9 regional expert staff and 13 members of Student Executive Board.
- Actively communicated and documented regional activities every 3 months to the Secretary General, ensuring organizational objectives were consistently achieved.

Liaison Officer (LO) - Asian Symposium on Medicinal Plants, Spices, and Other Natural Products (ASOMPS) | Oct 2023

- Facilitated communication between ASOMPS and external partners, ensuring clear understanding and alignment of goals.
- Managed key stakeholder relationships, addressing concerns, and proactively resolving issues.
- Collaborated with internal teams to gather and disseminate relevant information to enhance overall efficiency.

GLOBAL LIT IPSF | Aug 2023

- Participated in 4-day leadership program designed for pharmacy and pharmaceutical students and recent graduates worldwide.
- This interactive program includes presentations, group exercises, social events, and discussions that allow participants to share their experiences to form a cohesive, self-reinforcing network of trained leaders.
- Developed essential leadership and management skills that required to become better leaders in the global health setting and in future professional careers.
