SUMMARY

Pharmacist with hands-on experience across pharmaceutical business development, hospital pharmacy, manufacturing, distribution, community pharmacy, and primary healthcare settings. Experienced in pharmaceutical market research, competitive intelligence, CPOB/GMP, quality control activities, pharmaceutical care, inventory management, and cross-functional coordination. Supported by strong analytical, communication, and problem-solving skills, with a GPA of 3.89/4.00 in the Pharmacist Professional Program

WORK EXPERIENCE

PT. Kalbe Farma Tbk.

01/2025 – 06/2025

Business Development Intern

Jakarta

- Performed market research and competitive intelligence analysis for pharmaceutical products in international markets, including Nigeria, South Africa, the Philippines, and Malaysia.
- Stock Opname
- Scheduled and facilitated over 5 meetings per day involving multiple divisions and stakeholders.
- Negotiated with internal and external stakeholders to achieve mutually beneficial outcomes.
- Contributed to packaging development for liquid pharmaceutical products with a focus on consumer convenience and usability.
- Performed sensory evaluation studies with consumers to assess the appearance, aroma, taste, and overall acceptability of products before market launch.

PT. Medika Antapani

11/2025 – 11//2025

Apothecary Intern (PKPA)

Bandung

- Compounded semi-solid and capsule preparations in accordance with established procedures.
- Provided OTC medication recommendations to more than 5 customers per day based on symptoms, indications, contraindications, and safety considerations.

- Provided patient counseling, particularly for Prolanis patients receiving chronic disease therapy, special medications, and polypharmacy regimens.
- Provided Drug Information Services to more than 15 customers to promote safe and appropriate medication use.
- Managed pharmaceutical inventory and medication disposal in accordance with applicable procedures.
- Conducted a pharmacy feasibility study covering market analysis, location assessment, operational requirements, and financial considerations.
- Screened and reviewed 50 prescriptions for administrative, pharmaceutical, and clinical appropriateness to ensure safe and rational medication use.

Santosa Hospital Bandung Central

12/2025 – 01/2026

Apothecary Intern (PKPA)

Bandung

- Compounded semi-solid and capsule preparations in accordance with established procedures.
- Conducted weekly Medication Therapy Monitoring (MTM) for 2 ICU patients to identify and address drug-related problems.
- Provided individualized patient counseling to 5 patients per day to promote medication adherence and safe medication use.
- Counseled and provided Drug Information Services to over 150 patients daily to promote safe and effective medication use.
- Participated in clinical ward rounds involving more than 25 inpatients across various hospital wards.
- Communicated drug-related recommendations to healthcare professionals to support rational medication use and patient safety.
- Screened and reviewed over 100 prescriptions for administrative, pharmaceutical, and clinical appropriateness to ensure medication safety and rational use.
- Conducted daily monitoring of adverse drug reactions (ADRs) to support medication safety and patient monitoring.
- Performed medication reconciliation for more than 11 patients per day to ensure accurate and safe medication use.
- Participated in hospital pharmacy inventory and procurement activities to support effective medication supply management.
- Evaluated and proposed new medications for inclusion in the hospital formulary by reviewing clinical evidence, efficacy, safety, and therapeutic considerations.

Lembaga Farmasi Angkatan Udara

02/2026 – 03/2026

Apothecary Intern (PKPA)

Bandung

- Performed evaluation of pharmaceutical dosage forms, including specific gravity, deliverable volume, content uniformity, viscosity, moisture content, and pH.
- Completed industry orientation covering the 12 aspects of Good Manufacturing Practices (CPOB).
- Participated in In-Process Control (IPC) activities during cephalosporin drug production for toll manufacturing.
- Participated in the research and development of paracetamol syrup formulations.

- Prepared Certificates of Analysis (CoAs) based on In-Process Control (IPC) results within the Quality Control (QC) department.

PT. Enseval Putera Megatrading

04/2026 – 04/2026

Apothecary Intern (PKPA)

Bandung

- Screened invoices and delivery notes for more than 50 procurement transactions per day to ensure accuracy and compliance.
- Conducted monthly physical inventory counts for more than 50 pharmaceutical products to ensure stock accuracy.
- Performed outlet data verification to ensure the accuracy and completeness of distribution records.
- Screened purchase orders to verify product, quantity, and procurement details.
- Participated in the implementation of Good Distribution Practices (CDOB) and Good Distribution Practices for Medical Devices (CDAKB).
- Participated in shipping validation for cold-chain products through Operational Qualification (OQ) and Performance Qualification (PQ) testing of cool boxes and polyurethane (PU) boxes.

UPTD Puskesmas Cetarip

05/2026 – 05/2026

Apothecary Intern (PKPA)

Bandung

- Provided individualized counseling for patients using special medications to promote medication adherence and patient safety.
- Provided comprehensive Drug Information Services to over 100 patients daily to support safe and effective medication use.
- Participated in pharmacy inventory management and procurement activities.
- Conducted screening and medication assessment of 50 prescriptions to ensure appropriate and safe medication use.
- Monitored and reported Adverse Drug Reactions (ADRs) to support medication safety.
- Participated in mobile health center services to provide pharmaceutical care and health services to the community.
- Conducted health promotion and disease prevention activities to improve community health awareness.
- Performed physical inventory counts for over 40 medications to ensure stock accuracy.
- Performed inventory control and stock management activities to maintain adequate medication availability.

EDUCATION

Bandung Islamic University

SURAT KETERANGAN LULUS

Nomor : 256/SKL/FFDS/VIII/2026

Surat Keterangan Lulus ini diberikan kepada :

Nama : Ulsana Siesi Alifah, S.Farm
Tempat, Tanggal Lahir : Bandung, 11 Januari 2002
NPM : 12060325008
Jenjang Pendidikan : Pendidikan Profesi
Program Studi : Pendidikan Profesi Apoteker
Akreditasi : Terakreditasi Baik Sekali
Berdasarkan Surat Keputusan Pengurus
Perkumpulan Lembaga Akreditasi Mandiri
Pendidikan Tinggi Kesehatan Indonesia No.
0774/LAM-PTKes/Akr/Pro/V/2025

Yang telah menyelesaikan studinya pada Semester Genap Tahun Akademik 2025/2026 di Fakultas Farmasi dan Sains Universitas Islam Bandung pada tanggal 25 Agustus 2026, dengan Indeks Prestasi Kumulatif (IPK) 3,89 dan jumlah SKS 37.

Demikian Surat Keterangan Lulus ini dibuat dan dipergunakan sebagai pengganti ijazah yang masih dalam proses penyelesaian.

Bandung, 25 Agustus 2026

Dekan,

Dr. Apt. Suwendar, S.Si., M.Si

NB: Surat Keterangan Lulus ini tidak berlaku apabila ijazah asli telah diterbitkan
