Surabaya, Jawa Timur, Indonesia

Pharmacist with hands-on experience in Research & Development, especially formulation development. With a solid background in pharmaceutical development combined with problem-solving, critical thinking, and driven by continuous learning, I am eager to contribute my knowledge and skills to bring innovation and make a significant impact on the industry.

## Work Experience

---

### PT Erlangga Edi Laboratories - Salatiga

Nov 2024 - Present

#### Formulation Development R&D Supervisor

- Performed preformulation studies for new products and existing products, with primary focus on formulation aspects
- Prepared, conducted, and supervised trial for more than 30 formulas/month, including solid, liquid, semisolid, and sterile dosage forms
- Conducted laboratory stability study to finalize the final formula and process for several products
- Prepared purchase documents for new raw materials, including Special Access Scheme (SAS) documents
- Developed a pilot-scale production flow for semisolid dosage form aligning with the existing semisolid production line
- Created working instruction documents for several instrument and machine in formulation laboratory
- Became a PIC for raw material and inventory control in formulation laboratory
- Worked closely with analytical development, packaging development, registration, and project management team during development

### PT Pharma Health Care (Combiphar Group) - Bekasi

Mar 2024 - Apr 2024

#### Quality Assurance Intern

- Learned about the implementation of Good Manufacturing Practice (GMP) in a pharmaceutical industry, especially Quality Assurance
- Made a Product Quality Review (PQR) and gave corrective action recommendations to improve the process and product quality
- Became a co-reviewer of documents needed for the disposition of finished products
- Reviewed several Standard Operating Procedure (SOP) and Work Instruction (WI) to ensure the contents are still aligned with current condition and regulation
- Reviewed filled logbooks to ensure the documentation are appropriate according to Good Documentation Practice (GDocP)
- Supported time synchronization process for tools and instruments used in production
- Participated in the success of process validation (media fill) for over 72 hours

### PT Anugrah Argon Medica (Dexa Group) - Surabaya

Feb 2024

#### Pharmacy Intern

- Learned about the implementation of Good Distribution Practice (GDP) in a pharmaceutical distributor
- Participated in reviewing purchase order for psychotropics and precursors
- Supported stock monitoring for psychotropics and precursors
- Ensured the temperature-sensitive products are accepted, stored, and transported under the correct conditions

### Rumah Sakit Pusat Angkatan Laut dr. Ramelan - Surabaya

Dec 2023 - Jan 2024

#### Pharmacy Intern

- Provided professional day-to-day pharmaceutical care to patients, involving drug dispensing and distribution
- Gave education about the proper use of medications to optimize patient's compliance
- Analyzed patient's medication to ensure the quality, safety, and effectiveness of the treatment
- Participated in the inventory management of drugs and other health products

### Puskesmas Siwalankerto - Surabaya

Oct 2023 - Nov 2023

#### Pharmacy Intern

- Participated in implementing community-based health service programs, involving campaign and giving specialized care to patients with HIV and tuberculosis
- Filled out prescriptions and gave information about the medications, including instructions, potential side effects, and some advice on health and wellness
- Participated in the procurement and inventory management of drugs and other health products
- Learned about cold chain management in community-based health service

### Apotek Latansa - Sidoarjo

Sep 2023 - Oct 2023

#### Pharmacy Intern

- Filled out prescriptions and gave information about the medications, including instructions, potential side effects, and some advice on health and wellness
- Provided guidance on appropriate use of over-the-counter medicines to patients
- Participated in the procurement and inventory management of drugs and other health products
