## SUMMARY

Detail-oriented Chemistry graduated from Diponegoro University with practical background in raw material quality control, cosmetic regulatory documentation, and specialty chemical evaluation. Proficient in analytical instrumentation, method validation, and cross-functional coordination. Seeking to contribute strong analytical, technical, and communication skills to dynamic chemical industry roles.

**Interest: Regulatory Affairs, Quality Control (QC), Chemical Analyst, R&D Assistant.**

## EDUCATION

### University of Diponegoro

2021 – 2025

Chemistry, Science and Mathematics (GPA: 3.61/4.00)

- Graduated with cumlaude predicted.
- Thesis title “**Optimization Antifungal Activity of Cu<sup>2+</sup>-Zeolite Y and Zn<sup>2+</sup>-Zeolite Y Against *Aspergillus niger* Using Response Surface Method (RSM)**”

## WORK EXPERIENCES

### Laboratory Analyst Intern

Desember 2023 – Januari 2024

#### PT. Sido Muncul Herbal and Pharmaceutical Industry Tbk.

- Test raw materials to make sure they met quality standards, and made reports for sample test results.
- Learned using UPLC instruments, including sample preparation, running tests, and reading results.
- Conducted research during the internship and wrote a final report titled “Chemical Analysis of Moisture Content, Gingerol Active Compound, and Essential Oil in Fresh Ginger Rhizome (*Zingiber officinale Roscoe*) at PT Sido Muncul Herbal and Pharmaceutical Industry Tbk.”

### Basic Chemistry Laboratory Assistant

February – May 2024

#### Diponegoro University

- Assisted in preparing and conducting basic chemistry experiments for undergraduate students.
- Prepared reagents, calibrated instruments, and ensured laboratory safety compliance.
- Guided students in following experimental procedures and recording data accurately.

### Inorganic Chemistry Laboratory Assistant

February – May 2025

#### Diponegoro University

- Assisted in organizing inorganic chemistry laboratory sessions.
- Prepared chemical solutions and maintained laboratory equipment.
- Provide technical guidance to students and monitored their compliance with safety rules.

### Regulatory Affairs Officer (QC) Intern

November 2025 – May 2026

#### PT. Gemma Natura Lestari

- Supported cosmetic product registration by ensuring compliance with BPOM regulatory requirements.
- Evaluated raw materials against regulatory standards (permitted/restricted ingredient lists).
- Coordinated halal certification documentation and verified material compliance with halal standards.

## ORGANIZATION EXPERIENCES

### Liaison Officer Committee of the Diponegoro Chemistry Fair (DCF)

July – September 2022

#### Chemistry Student Association of Diponegoro University

- Maintained effective communication and ensured participants were well assisted.
- Supervised participants during the commencement of activities.

### Fundraising Division Staff of the Diponegoro Chemistry Fair (DCF)

May – October 2023

#### Chemistry Student Association of Diponegoro University

- Organized and executed fundraising activities to support event budgets.

### Secretary and Treasurer of the Polymer Press Division

January 2023 – February 2024

#### Chemistry Student Association of Diponegoro University

- Managed administrative documents and meeting records for the division
- Oversaw budget planning, financial, reporting, and cash flow.
- Handled and prepared official letters for the execution of work programs.

## SKILLS

**Hard Skills:** Specialty Chemical Product Knowledge & Application, Basic Regulatory Compliance & BPOM Registration, Halal Certification & Documentation, Raw Material Evaluation & Quality Control, Technical Sales, Financial Budgeting & Cash Flow Management, Chromatography & Spectroscopy Analysis (UPLC, UV-Vis).

**Technical Skills:** Proficient in operating laboratory instruments, Water Testing Instruments, Aseptic/sterile lab techniques, Optimization & Data Analysis Software (OriginLab, Design-Expert, Microsoft Excel), Quality & Safety Standards, Administrative & Documentation.

**Language Skills:** Advanced in English; Native in Indonesian.
