- Conducted documentation and reporting of divisional activities through program documentation and activity reports.

INEX-P (West Sumatra–Riau Sports Tournament)

Chairman

Apr – Nov 2022

- Led planning and implementation of the tournament through event concept development, committee management, and cross-institutional coordination using event management systems to ensure smooth execution.
- Successfully organized 3 competitions, attracting more than 27 teams while building strong relationships with media partners and sponsors.

Jejak Aksara and Bakti Farmasi (Community Service Program)

Head of Logistics Division

Mei 2021 – Oct 2022

- Managed equipment and logistics needs through planning, procurement, and distribution with 15 team members using a simple inventory system to ensure smooth program implementation.
- Conducted asset inventory and monitoring through recording incoming and outgoing items and equipment condition checks to prevent loss and damage.

Election Committee

Chairman of Election Supervisory Committee

Oct – Dec 2021

- Led election supervision with 3 members through the development of a monitoring system to ensure fair, transparent, and accountable elections.
- Handled violation reports through clarification, documentation, and reporting procedures using an administrative monitoring system to maintain election integrity.

ADDITIONAL

Languages:

- Bahasa Indonesia : Native Proficiency
- English : Limited Working Proficiency

Technical Skills:

- Laboratory: Chromatography, UV-Vis Spectrophotometry, Microplate reader
- Regulatory Knowledge: GMP/CPOB, CDOB, CDAKB, GLP, GCP
- Project Management : Microsoft Office (Word, Excel, Powerpoint), Google Suite (Google Docs, Google Sheets, Google Slide)

Soft Skills:

- Leadership
- Problem-solving
- Teamwork
- Time management
- Analytical thinking
