## SUMMARY

Pharmacist with hands-on experience in Research & Development, particularly in analytical development for solid dosage forms. Familiar with method validation, protocol preparation and handling analytical issue during testing. Experienced in conducting product analysis and quality evaluation through laboratory work. Able to interpret data and ensure work is aligned with regulatory requirements. Certified in Internasional Vapro and BNSP Indonesia Level 3 Analytical Chemistry. Detail-oriented, reliable and able to work well both independently and in a team, with additional leadership experience from organizational activities. Motivated to contribute to pharmaceutical product development by maintaining quality and supporting continuous improvement.

## WORK EXPERIENCES

### PT. Ethica Industri Farmasi – Cikarang, Indonesia

*Analytical Development Supervisor*

January – Present

- Executed analytical method validation and verification in line with ICH guidelines to support development activities.
- Developed and optimized analytical methods (compendial and in-house) to meet quality and regulatory standards
- Supported method transfer activities with a focus on data integrity and GMP compliance
- Performed data analysis and troubleshooting to maintain robust analytical performance

### RuangObat.id – Jakarta, Indonesia

*Student Tutor*

December 2024 – May 2025

- Mentored 100+ students in Pharmaceutical and Instrumental Analysis, strengthening competencies in analytical techniques and data interpretation
- Guided students in applying analytical techniques and problem-solving approaches to enhance practical performance
- Promoted good laboratory practices (GLP), data integrity, and quality awareness in laboratory activities

### PT Bintang Toedjoe (A Kalbe Company) – Jakarta, Indonesia

*Production Apprenticeship*

November – December 2024

- Reviewed and update 10+ Computer System Validation (CSV) documents following work instructions and regulatory requirements.
- Ensured alignment of CSV documentation with actual production processes through on-site updates.
- Collaborated with cross-functional teams to enhance system reliability and data integrity.
- Conducted weekly QRM and HSE training for production operators to improve awareness of quality and risk management, including prevention and corrective handling

### PT. Anugrah Analisis Sempurna – Jakarta, Indonesia

*Quality Control Apprenticeship*

November 2019 – February 2020

- Conducted quality testing on 100+ food and beverage samples for BPOM compliance using HPLC, GC, UV-Vis spectrophotometry, microbiology, volumetric, proximate, and gravimetric methods.
- Achieved >98% accuracy following SOPs and validation protocols.
- Prepared compliance reports supporting product release for domestic and export mark.

## FORMAL EDUCATION

### Universitas Pancasila – Jakarta, Indonesia

*Apothecary, GPA: 3,98/4,00*

August 2024 – August 2025

- **Achievement:**
  - Gold Medal in World Science, Environment and Engineering Competition (WSEEC) by IYSA 2025
  - Macedonia Special Award in World Science, Environment and Engineering Competition (WSEEC) by IYSA 2025
  - Silver Medal in Jakarta International Scene Fair (JISF) by IYSA 2025

*Bachelor of Pharmacy, GPA: 3,58/4,00*

August 2020 – July 2024

- **Laboratory Assistant:**
  - *Coordinator Formulation and Technology of Semisolid and Liquid Dosage Forms* February – June 2024
  - *Microbiology* February 2022 – June 2024
  - *Formulation and Technology of Solid Dosage Forms* September – December 2024

- *Pharmacy Analysis* February – June 2023
- *OSCE Apprenticeshipal Pharmacy Competency Examination* January 2023
  - Led, guided and supervised 200+ students in practicum sessions
  - Examined laboratory activities undertaken by practitioners: assessing laboratory works and lab reports, providing constructive feedback
- **Achievement:**
  - 1st Winner in Business Proposal Competition for Entrepreneurship by Pancasila University 2022

**SMK SMAK Bogor** – Bogor, Indonesia  
*Vocational High School in Chemical Analyst*

May 2016 – May 2020

- **Achievement**
  - 1st Runner Up in Scientific Essay Competition in Harvest Pangan Chapter VI by Bakrie University 2019
  - 1st Winner in Innovative and Creative Competition by the Ministry of Defense 2019

## **CERTIFICATION**

---

**English (Certified English for Academic and Occupational Purposes)**

00491/EAP/II/21/UP

*LBPP LIA*

**Certificate of Competencies (Gravimetric, Microbiology, Volumetric, Proximate, Spectrophotometry, AAS, GC-HPLC)**

No. 71202 3111 3 00000049.2021

*BNSP*

**International Certificate of Chemical Analyst Level III**

215/VAPRO/CA/VI/20

*VAPRO Training Indonesia*
