- Relevant Coursework: Drug Delivery Design and Technology, Analytical Chemistry, Pharmaceutical Analysis, Pharmaceutical Manufacturing, Pharmaceutical Quality Assurance and Quality Control, Cosmetic Science

WORK EXPERIENCES

RSUD Dr. Mohamad Soewandhie - Surabaya, Indonesia

Mar 2026 – May 2026

Clinical Pharmacy Intern

- Screened and processed 200+ prescriptions daily in the Outpatient unit, ensuring clinical appropriateness regarding dosage, drug interactions, and patient allergies
- Managed pharmaceutical care for 30+ inpatient beds, conducting daily medication reviews to ensure therapy optimization and minimize drug-related problems (DRPs)
- Documented 50+ patient progress using the SOAP (Subjective, Objective, Assessment, Plan) method in electronic medical records to ensure integrated clinical reporting
- Collaborated with multidisciplinary healthcare teams during clinical ward rounds to provide evidence-based drug therapy recommendations for complex inpatient cases

Puskesmas Medokan Ayu - Surabaya, Indonesia

Feb 2026 – Mar 2026

Community Pharmacy Intern

- Dispensed and processed 50+ outpatient prescriptions/day, including compounded and non-compounded medications
- Conducted health promotion activities for 30+ community members related to disease prevention and rational drug use
- Monitored inventory for 40+ pharmaceutical products, including stock recording, stock availability, and expiration date checking

Apotek Farmasi Airlangga - Surabaya, Indonesia

Des 2025 – Jan 2026

Community Pharmacy Intern

- Dispensed and processed 50+ prescriptions/day, including compounded and non-compounded medications
- Prepared and managed 10+ purchase order letters for pharmaceutical procurement to support inventory availability
- Provided self-medication counseling for 5+ patients/day, including drug selection, dosage instructions, and patient education

PT Kalbio Global Medika - Cikarang, Indonesia

Oct 2025 – Nov 2025

Production Drug Product Intern

- Revised and updated 5+ SOPs and production protocols, supporting process standardization and regulatory compliance

- Performed manual visual inspection, assembly, blistering, and packaging for 1,000+ units per shift in compliance with cGMP
- Assessed differential pressure across 5+ AHUs to ensure cleanroom pressure cascade compliance

PT Rajawali Nusindo - Surabaya, Indonesia

Sep 2025 – Sep 2025

Pharmacy Intern

- Performed Cold Chain Product shipping validation for pharmaceutical products across multiple delivery routes
- Verified temperature compliance and documentation for Cold Chain shipments with 100% traceability
- Conducted temperature mapping activities for storage and transport areas to identify hot and cold spots

Universitas Airlangga - Surabaya, Indonesia

Feb 2025 – Jun 2025

Laboratory Assistant | Practical Design and Technology for Tablet Drug Delivery

- Assisted in practical sessions on tablet formulation and drug delivery technology
- Guided and trained 60+ students in laboratory techniques, formulation design, and analytical methods, which improved the accuracy of data collection and analysis

PT Genero Pharmaceuticals - Cikarang, Indonesia

Sep 2024 – Dec 2024

Quality Control Intern

- Performed 50+ instrumental analyses (HPLC, UV-Vis, FTIR, AAS) on raw materials, packaging materials, in-process products, and finished products
- Conducted daily stability and environmental monitoring in ISO-classified cleanrooms
- Executed microbiological quality checks on 30+ cosmetic products per week to verify compliance with microbiological safety standards
- Documented 50+ QC reports for internal and regulatory audits, which resulted in on-time product release

Rumah Sakit Universitas Airlangga - Surabaya, Indonesia

Jul 2024 – Aug 2024

Clinical Pharmacy Intern

- Determined UDD medication dosages for 50+ patients in the Perinatal unit on a daily basis
- Prepared and customized additional medications for 50+ inpatients in the Perinatal unit, tailored to each patient's unique case
- Compounded more than 40 powdered and capsule medications for patient therapy

Apotek Tiga Dua Lima - Surabaya, Indonesia

Jan 2024 – Feb 2024

Community Pharmacy Intern

- Served and compounded 25+ medication prescriptions
- Wrote 10+ medication order letters and stock cards, ensuring accurate pharmacy inventory management
- Provided self-medication services to patients of various ages

UMKM Sinergi Bersih Prima - Sidoarjo, Indonesia

Nov 2022 – Dec 2023

Graphic Designer

- Designed 5+ product packaging concepts and brand identities, including logos and labels for hand soap, dishwashing liquid, floor cleaner, and bathroom cleaner products
- Created marketing materials, including standing banners and promotional content, to strengthen brand visibility and support business marketing initiatives

ORGANIZATION AND SOCIAL EXPERIENCES

Joy On The Street | SCOLAH-Unair Mengajar

May 2023 – Feb 2024

Project Manager

- Demonstrated effective leadership by directing 4 teams consisting of 14 members, and conducting monthly meetings to ensure optimal event coordination
- Successfully designed 5 learning events to promote education equity, targeting 150+ street children dropping out of school in Surabaya
