

NANDA IKHSANIA PUTRI

Jakarta Selatan | 088290787840 | pnandaikhsania@gmail.com

PROFESSIONAL SUMMARY

Fresh graduate with a Bachelor of Pharmacy from UIN Syarif Hidayatullah Jakarta, equipped with foundational knowledge of GMP/CPOB, GLP, and analytical laboratory practices. Familiar with analytical instruments such as UV-Vis spectrophotometry, HPLC, and GC, with experience maintaining laboratory documentation during academic practicums. Detail-oriented, organized, and interested in developing a career in pharmaceutical quality system.

EDUCATION

Bachelor of Pharmacy (GPA : 3,78) — UIN Syarif Hidayatullah Jakarta

Senior High School (Science) — SMA Negeri 38 Jakarta

2022 - 2026

2019 - 2022

CERTIFICATIONS

- 10-Module USP Online Course: Foundations of GMP
- Good Manufacturing Practices in Control Laboratory
- Quality Considerations for a Robust Data Integrity Program
- The Difference Between Compliance and Quality
- Pharmaceutical Quality Management System

EXPERIENCE

Teaching Assistant — Biopharmaceutics & Pharmacokinetics Practicum

UIN Syarif Hidayatullah Jakarta

Maret 2026 - July 2026

- Operated analytical laboratory instruments (e.g. dissolution tester, diffusion cell apparatus, UV-Vis spectrophotometer) following laboratory protocols.
- Assisted students in sample preparation, data collection, and analysis of experimental results.

Teaching Assistant — Pharmacology & Toxicology Practicum

UIN Syarif Hidayatullah Jakarta

September 2025 - January 2026

- Assisted lecturers in pharmacological and toxicological laboratory sessions using animal models.
- Enforced laboratory SOP and safety compliance throughout practical sessions.
- Prepared laboratory equipment, reagents, and experimental materials prior to each session.

Pharmacy Intern — Field Work Practicum (PKL)

RSUD Pasar Minggu, South Jakarta

August 2025

- Conducted inventory checking and stock opname to support accurate pharmaceutical inventory records.
- Assisted in medication handling and distribution, ensuring compliance with hospital SOPs on expiry dates and storage conditions.

ORGANIZATIONAL EXPERIENCE

Student Senate - Commission of Aspiration & Institutional Affairs

2024 - 2025

FIKES UIN Syarif Hidayatullah Jakarta

- Coordinated communication between students and faculty management.
- Supported institutional and student advocacy initiatives within the faculty.

SKILLS

- **Laboratory:** GMP/CPOB, GDocP, and GLP Fundamentals; Basic Cosmetic/Pharmaceutical Formulation, Data Recording and Laboratory Documentation; Basic Analytical Method Validation and Vervication; Basic Laboratory Equipment Operation and Handling
- **Computer:** Microsoft Office (Word, Excel, PowerPoint), SPSS
- **Languages:** Bahasa Indonesia (Native), English (Upper Intermediate)

AWARDS

- **Provincial Finalist** — Kompetisi Sains Nasional (KSN) 2021, Chemistry, DKI Jakarta Province
