

VISTA KAMILANIA

vkamilania@gmail.com | +62823-2249-9739 | www.linkedin.com/in/vista-kamilania

Licensed pharmacist with hands-on experience in pharmaceutical Quality Assurance and validation within GMP-regulated manufacturing. Skilled in process validation and quality documentation, with strong ability to ensure compliance with CPOB standards. Experienced in cross-functional collaboration, audit support, and maintaining quality management systems to ensure product quality, consistency, and regulatory compliance. My academic background, combined with internship and professional experience in various pharmaceutical fields, has helped me develop both hard and soft skills including communication, teamwork, and time management that support my ability to work effectively both independently and in collaborative environments.
