082118356215 | raazizah0811@gmail.com | linkedin.com/in/rahma-azizah-131a77216

Pharmacist with hands-on internship exposure in pharmaceutical manufacturing, production processes, GMP/CPOB compliance, quality systems, and production documentation. Experienced in supporting manufacturing activities, monitoring process and documentation compliance, reviewing batch records and SOPs, and participating in deviation investigation, root cause analysis, CAPA, Quality Risk Management, FMEA, and Change Control. Familiar with pharmaceutical production workflows, controlled manufacturing environments, equipment and facility requirements, and GMP principles. Detail-oriented, analytical, and highly motivated to develop a career in production operations and supervisory functions

Professional Experience

PT. Enseval Putera Megatrading Tbk.

Apr 2026

Pharmacist Intern

- Monitored pharmaceutical inventory and supported stock reconciliation.
- Reviewed distribution documents and applied CDOB/GDP, batch traceability, and documentation principles.
- Supported administrative activities using computerized systems and Microsoft Office.

Lembaga Farmasi Angkatan Udara

Feb 2026 - Mar 2026

Pharmacist Intern

- Supported production workflows and monitored compliance with CPOB/GMP, SOPs, safety, hygiene, and housekeeping standards.
- Participated in deviation investigation, Root Cause Analysis, CAPA, QRM, FMEA, and Change Control activities.
- Reviewed approximately 20 documents, including batch records, SOPs, and line-cleaning records.
- Gained exposure to HVAC/AHU, HEPA H13 filtration, pressure cascade systems, and controlled manufacturing areas.
- Participated in a complete cefadroxil dry syrup production simulation from dispensing to packaging.
- Collaborated with pharmacists and manufacturing personnel in production activities.

Santosa Hospital Bandung Central

Dec 2025 - Jan 2026

Pharmacist Intern

- Supported pharmaceutical services, prescription review, dispensing, and medication counseling while maintaining accuracy, safety, and documentation standards.
- Assisted pharmaceutical inventory management and record-keeping, strengthening discipline in stock control and traceability.

Bandung Islamic University

Feb 2025 - Aug 2025

Research & Laboratory Assistant

- Maintained laboratory equipment and prepared work areas ensuring readiness and compliance with safety and procedural standards
- Assisted in sample preparation, formulation testing, and stability evaluation; maintained complete and traceable study records
- Standardized documentation workflows and guided peers in procedural adherence and safety compliance

Education

Universitas Islam Bandung

Sep 2025 - Aug 2026

Professional Pharmacist Program, 3.99/4.00

- Developed practical knowledge of CPOB/GMP, pharmaceutical production, quality risk management, and regulatory compliance.

Universitas Islam Bandung

Aug 2021 - Feb 2025

Undergraduate Pharmacy, 3.75/4.00

- Djarum Scholarship Plus Awardee (2023–2024) — selected based on academic achievement, leadership potential, and character.

Selected Projects

Quality Risk Management Project

Mar 2026

- Developed risk assessment and Change Control documentation for pharmaceutical manufacturing based on GMP principles
- Identified potential risks, deviations, and OOS scenarios; proposed corrective and preventive actions (CAPA)
- Applied FMEA and risk-based thinking to evaluate risks and recommend quality improvement measures

Nanoemulgel Formulation Research

Oct 2024 – Jul 2025

- Developed and optimized a topical nanoemulgel formulation containing Tea Tree Oil and Salicylic Acid
- Conducted full physicochemical characterization, stability testing, and analytical analysis
- Presented findings at National Pharmacy Seminar — ITB, July 2025 and received Best Scientific Poster Award

Technical Skills

- **Production & Manufacturing:** Pharmaceutical Production Processes · Production Workflow Monitoring · Batch Production Records · SOP Compliance · Line Clearance/Cleaning Documentation · Production Documentation · Material & Process Awareness
- **Quality & GMP:** GMP/CPOB · Quality Assurance · Deviation Investigation · Root Cause Analysis · CAPA · Quality Risk Management · FMEA · Change Control · Quality Documentation · Compliance Monitoring
- **Facility & Technical:** HVAC/AHU · HEPA H13 Filtration · Pressure Cascade · Controlled Manufacturing Environment · Equipment & Facility Inspection
- **Operations & Administration:** Microsoft Excel · Microsoft Word · Microsoft PowerPoint · Documentation & Reporting · Data Organization · Inventory Monitoring · Basic Data Analysis
- **Professional Competencies:** Problem Solving · Analytical Thinking · Attention to Detail · Communication · Team Coordination · Adaptability · Fast Learning · Discipline · Integrity
