PHARMACIST

yunita291006@gmail.com | 08388455061 | Bekasi | linkedin.com/in/yunita-8414222b9

As a registered pharmacist, I possess a comprehensive understanding of drug formulation, quality assurance (QA), pharmacology, drug dispensing, ethics, and pharmaceutical regulations. I have gained valuable experience through internships and professional roles in community pharmacy, hospital settings, and the pharmaceutical industry. With strong organizational skills, attention to detail, and a proven ability to excel in fast-paced environments, I am committed to delivering exceptional pharmaceutical care. I am excited to embrace challenging opportunities that enable me to make a meaningful impact in healthcare.

EDUCATION

September 2019 – July 2023

Bachelor of Pharmacy, Faculty of Pharmacy, Jember University

GPA: 3.64/4.00

September 2023 – September 2024

Registered Pharmacist, Faculty of Pharmacy, Jember University

GPA: 3.90/4.00

EXPERIENCE

April 2026 – Present

Quality Assurance Compliance Staff, *PT Kosmesia (Kosmetika Global Indonesia)*

- Manage the end-to-end customer complaint process, resulting in 80% faster investigation closure time and improved customer satisfaction.
- Lead investigations into over 40+ manufacturing deviations and non-conformances, performing Root Cause Analysis (RCA) and implementing corrective and preventive actions to prevent future occurrences.
- Assist in scheduling and preparing internal audit plans, which improves the efficiency of the auditor team.
- Conduct Genba inspections, ensuring GMP compliance, and driving continuous quality improvement.

May 2025 – December 2025

Part Time Pharmacist & Administration, *Kali Baru Public Health Center*

- Dispense and verify prescriptions for an average of 200 patients daily, ensuring accuracy and safety.
- Provide personalized counseling on medication adherence, side effects, and interactions.
- Assisted the Head of Administration in daily tasks such as document management, scheduling, correspondence, official letters, and reports.

January 2024 – January 2025

Freelance Research Assistant, *Self Employment (Airlangga University)*

- Assisted in experiments and data analysis leading to a few publications centered around breast cancer patients' compliance.
- Demonstrated familiarity with statistical methods, analyzing data, interpreting, and communicating results in a concise and impactful manner.
- Experienced with literature searches through several literature databases.

INTERNSHIP

May 2024 – June 2024

Pharmacy Intern, *Quality Assurance Staff, LAFIAL Drs. Moch Kamal*

- Coordinated and conducted method validation studies for the pre-marketed formulation, ensuring compliance with Indonesia Food and Drug Administration regulations (Good Manufacturing Practice).
- Reviewed more than 10 method validation protocols, annual reports, and SOP while authoring new SOP for pre-marketed formulation under the supervision of the head pharmacist.
- Assisted the head pharmacist in internal audits, monitoring deviations, and implementing corrective and preventive actions (CAPA) to ensure regulatory compliance.

January 2024 – April 2024

Pharmacy Intern, Dr. Soetomo Public Hospital

- Counsel patients, under the supervision of head pharmacists, following the regulations and using a thorough understanding of their medication.
- Supported senior pharmacists in dispensing and checking prescriptions to reduce medication errors while supporting medical staff with inquiries and information about the medication.
- Assisted pharmacy staff with drug inventory, purchasing, receiving, and supply management.

October 2023 – November 2023

Pharmacy Intern, Kimia Farma Trade and Distribution

- Assisted the head pharmacist in ensuring that the drugs, medicinal substances, and medical devices distributed met the requirements of statutory regulations (Good Distribution Practice).
- Assisted the head pharmacist in qualifying and approving suppliers/customers while ensuring that self-examinations were carried out periodically.
- Collaborated with staff members on receiving, purchasing, and inventory (rotated stock and checked for expired medications).

CERTIFICATION

- Good Manufacturing Practice, Pharma Lesson, 2025
- Good Laboratory Practice, Pharma Lesson, 2025
- Good Documentation Practice, Pharma Lesson, 2025
- Good Distribution Practice (SMART CDOB), Indonesian Food and Drug Authority, 2025

ORGANIZATION

January 2022 – December 2022

Leader, Student Board Representatives, Faculty of Pharmacy, Jember University

- Led and directed all organizational activities, including strategic implementation, work programs, and performance evaluation.
- Represented the organization in various forums and events, both at internal and external levels.
- Collaborated with all members in making decisions regarding the direction and goals of the organization.

SKILLS

Hard Skills

- Deep understanding of Cara Pembuatan Obat yang Baik (CPOB), Cara Pembuatan Kosmetik yang Baik (CPKB), Cara Distribusi Obat yang Baik (CDOB), ICH Guideline, 5R, and ISO 9001.
- Experienced in managing CAPA, deviations, complaint, change control, OOS/OOT investigations, and internal/external audits.
- Skilled in authoring, reviewing, and maintaining SOPs, batch records, validation protocols/reports, and audit trails.
- Skilled in performing and interpreting laboratory analyses to assess the quality of drugs and related chemicals using analytical testing methods (HPLC, GC, UV, dissolution).

Soft Skills

- Demonstrates exceptional attention to detail in reviewing documentation, monitoring GMP compliance, identifying deviations, and ensuring adherence to SOPs and regulatory standards.
- Skilled at detecting inconsistencies, minimizing errors, and maintaining thorough records to support product safety and audit readiness.
- Possesses strong analytical thinking, problem solving, communication, and teamwork, with a proactive approach to maintaining high-quality standards in fast paced, highly regulated environments.
