

PUTRI SAL SABILLAH IKLIYIN

PROFESSIONAL PHARMACIST

0895339370040/085236732304

putrisalsabillah.ikliyin@gmail.com

Citeureup, Kab. Bogor/Pasuruan, Jatim

SUMMARY

Technical Service Pharmacist with over 3 years of experience in pharmaceutical formulation development, regulatory dossier preparation, and alternate source qualification. Demonstrated expertise in supporting end-to-end registration and successful export product launches for 9 new pharmaceutical products. Proven ability to resolve raw material quality issues under tight timelines through effective cross-functional coordination and technical problem-solving. Skilled in regulatory compliance, supply chain risk mitigation, and driving technical initiatives that support commercial readiness and operational continuity.

PROFESSIONAL SKILLS

Pharmaceutical Formulation

Regulatory Dossier Preparation

Project Coordination & Cross Communication

Technical & Quality Issue Resolution

ASD & Material Qualification Support

Time Management & Prioritization

WORK EXPERIENCE

MTU PHARMACIST (FULL-TIME)

PT. Darya-Varia Laboratoria Tbk.

(Jun 23 - Present)

- Create and manage documentation for each stage of Alternate Source Development (ASD) for APIs, excipients, and packaging materials.
- Conduct reformulation activities for existing products due to quality issues.
- Coordinate with procurement to review and verify raw material documentation, including quality-related certificates, halal documentation, and supplier questionnaires.
- Conduct technical reviews, trials, and registration support for technology transfers from third-party manufacturers.
- Participated in the Prokita (Program Kinerja Kita) initiative, supporting the transition from organic-based to water-based coating systems to enhance safety, earning Top 10 recognition at the Citeureup plant.
- Resolved supply disruptions for 15 raw materials and over 10 packaging materials, affecting both local supplement and export product.
- Successfully solved raw material quality issues under strict timelines, ensuring minimal disruption to production and FGOH timeline.
- Prepared complete NPD documentation for export registration of 9 products (to the Philippines, Jordan, Malaysia, and Dubai).
- Gained 9 NIEs for Health Supplement & Export Registration.

CLINICAL PHARMACIST

RS. Graha Sehat Medika

(Dec 22 - Jun 23)

- PIC for outpatient department
- Provide medication information to the patients on direction of use, advice on side effects, precautions, storage, etc
- Responsible for government drug programs, including Antiretroviral (Anti-HIV) and Anti-Tuberculosis drugs. This involves managing information systems in SIHA and SiTB, as well as overseeing medication management from ordering through Dinkes until the medicine is dispensed to patients, providing counseling as needed.

FORMULATION SUPERVISOR

PT. Pim Pharmaceuticals

(Sep 21 - Dec 22)

- Develop formulations for solid, semi-solid, and liquid cosmetics, as well as pharmaceutical drug products.
- Organize and coordinate laboratory-scale and production-scale trials for new products.
- Check and monitor stability test results, including both accelerated and long-term tests.
- Prepare registration dossiers, including formulation breakdowns, to be submitted to regulatory authorities such as BPOM and Kemenkes.
- Stay updated on regulations from Kemenkes, the Halal Guarantee System (SJH), and BPOM provisions regarding cosmetics and pharmaceutical products (Cont).

- Participated in a team addressing issues related to an existing product (managing caking and microbial contamination in suspension) through formulation and development studies.
- Succeeded in obtaining 2 NIEs (New Product Dossiers) for Drug Product registration with BPOM and Household Health registration with the Ministry of Health.
- Succeeded in obtaining certification for Good Manufacturing Practice (GMP) for cosmetics, covering both solid and liquid preparations on 2021.

INTERNSHIP EXPERIENCE

APOTECARY INTERNSHIP (QA DEPT)

(May 21 - Jun 21)

PT. Satoria Pharma

- Contributed and created a requalification report of the autoclave in the small volume parenteral plant alongside QA staff.
- Observed the production process, the operation of each machine, and the overall workflow related to the QA, QC, PPIC, and Production departments.

(Feb 21 - Apr 21)

APOTECARY INTERNSHIP (HOSPITAL)

RS. Muhammadiyah Malang

- Contributed to providing pharmaceutical services in the hospital, encompassing clinical pharmacy and managerial responsibilities.
- Provide medication information to patients regarding directions for use, advice on potential side effects, precautions, storage instructions, etc.
- Learned about purchasing pharmaceutical supplies, medical supplies, and drugs, as well as maintaining, stocking, and properly handling them.

APOTECARY INTERNSHIP (PUSKESMAS, DINKES, DRUGSTORE)

Dinkes Malang & Puskesmas Lawang

(Dec 20 - Jan 21)

- Responsible for clinical pharmacy services, including preparation of pharmaceutical medicines, medical devices, and consumable materials.
- Observed the management flow of pharmaceutical supplies at the Malang District Health Office.

Arjasa Drugstore

(Nov 20 - Dec 20)

- Carried out pharmaceutical service standards in pharmacy based on Minister of Health Regulation No. 73 of 2016

EDUCATION AND CERTIFICATION

APOTECARY PROFESSION

(2020 - 2021)

Brawijaya University

- Successfully graduated with a GPA of 3.90 (With honour)

BACHELOR OF PHARMACY

(2016 - 2020)

Brawijaya University

- Successfully graduated with a GPA of 3.45
- Research title "Formulation Optimization of Fast Dissolving Film Using Black Cumin Seed Oil (*Nigella sativa*) with Variation in HPMC - CCS Comparison Based on Disintegration Test and Physical Characteristic of Film
- Honored to achieve Gold Medal and Special Award of "Bangkok International Intellectual Property, Invention, Innovation, and Technology (IPITEX)" 2019 by making prototype "AloeVastic" for Gangrene Diabetic
- Participated as a committee at "SEDATIF 2018" National Seminar
- Participated as a committee in Pharmacy Care 2018
