

TANIA SABARINI

REGISTERED PHARMACIST

South Tangerang | taniasabarini@gmail.com | +6281212144486 | www.linkedin.com/in/tania-sabarini

SUMMARY

Registered Pharmacist with hands-on experience in pharmaceutical manufacturing and academic research involving formulation development and laboratory analysis. Experienced in physicochemical characterization, stability evaluation, scientific literature review, technical documentation, and experimental data interpretation. Familiar with GMP-based manufacturing practices. Detail-oriented and analytical, with a strong interest in Analytical Development and pharmaceutical research.

EDUCATION

University of Indonesia	2025 - 2026
Professional Pharmacist GPA: 3.84 / 4.00	
UIN Syarif Hidayatullah Jakarta	2019 - 2023
Bachelor of Pharmacy GPA: 3.72 / 4.00	

RESEARCH EXPERIENCE

Formulation and Stability of Miana Leaf Extract Spray Gel with Antioxidant

ALCHEMY: Jurnal Penelitian Kimia

- Reviewed scientific literature for formulation strategy and experimental design.
- Developed laboratory-scale spray gel formulations containing Miana leaf extract through formulation trials.
- Evaluated physicochemical properties and stability parameters of spray gel formulations.
- Conducted antioxidant activity analysis using the DPPH assay and UV-Visible spectrophotometry.
- Analyzed experimental data using SPSS and documented findings in an undergraduate thesis and scientific publication.

WORK EXPERIENCE

PT Bintang Toedjoe - Pulogadung, East Jakarta	Jul - Aug 2025
Production Department Pharmacist Intern	
- Conducted GMP (CPOB)-based gap analysis of production practices, SOPs, and production records to identify compliance gaps and improvement opportunities. - Developed Work Instructions (WI) for standardized filling machine operations. - Monitored CAPA implementation and documented corrective action progress following internal audits and BPOM inspections. - Reviewed production deviations, discussed corrective actions with production supervisors and managers, and monitored implementation progress. - Facilitated weekly quality and safety briefings for production operators through interactive Q&A sessions under supervisor guidance.	
PT Sammarie Tramedifa - Duren Sawit, East Jakarta	May 2025
Distributor Pharmacist Intern	
- Managed order processing, picking and packing, final verification, delivery documentation, and invoice preparation following CDOB requirements. - Reviewed warehouse temperature mapping reports against CDOB standards. - Submitted regulatory drug distribution reports through the BPOM e-WAS system. - Prepared CAPA documentation based on BPOM inspection findings and monitored CAPA implementation progress.	
RS Universitas Indonesia - Depok, West Java	Sep - Oct 2025
Clinical Pharmacist Intern	
- Performed clinical screening, medication dispensing, patient counseling, and drug information services across multiple clinical settings. - Conducted ADR monitoring for breast cancer patients receiving letrozole therapy and participated in clinical evaluation of ischemic stroke cases. - Managed medication and medical device inventory and handled pharmacy operational documentation.	

Watsons Indonesia - Pamulang, South Tangerang

Nov 2023 - Jan 2025

Pharmacist Assistant

- Processed prescriptions, managed medication and healthcare product inventory, monitored stock and expiry dates, and completed operational, regulatory, and administrative documentation.
- Provided medication counseling and drug information for prescription and non-prescription medicines.
- Supported audit readiness by ensuring documentation compliance during internal audits and health authority inspections.

VOLUNTEER EXPERIENCE

Pengmas Farmasi FIKES UIN Jakarta Workshop

Oct 2022

Formulation Training Committee : Utilization of Indigenous Indonesian Medicinal Plants

- Prepared laboratory-scale formulation materials using Indonesian medicinal plants for practical training sessions.
- Demonstrated formulation procedures and guided participants during hands-on formulation sessions.

Pharmasos Rumah Belajar HMPS Farmasi UIN Jakarta

Jul 2022

Academic Division Mentor

- Developed educational materials on halal and nutritious food.
- Facilitated educational sessions, coordinated participant engagement, and supported learning activities throughout the program.

ORGANIZATIONAL EXPERIENCE

HMPS Farmasi UIN Jakarta

Dec 2020 - Jan 2023

Head of Fundraising Department | Sponsorship & Media Partner Division Coordinator | Treasurer I

- Led fundraising initiatives by delegating tasks, coordinating project activities, monitoring project progress, and preparing administrative and financial reports.
- Managed sponsorship and media partnership acquisition for the 11th Pharmacy Expo, securing funding exceeding IDR 23 million.
- Managed budgeting, administrative documentation, and activity reporting for PBAK 2021.

SKILLS

- | | |
|--|---------------------------|
| • Pharmaceutical Formulation Development | • Analytical Thinking |
| • Physicochemical & Stability Evaluation | • Attention to Detail |
| • Good Manufacturing Practice (CPOB) | • Problem Solving |
| • Good Documentation Practice (GDP) | • Team Collaboration |
| • Quality Systems Documentation | • Effective Communication |

ADDITIONAL INFORMATION

Languages

- Indonesia (Native)
- English (Intermediate | TOEFL score: 520)

Professional Certifications

- Sertifikat Kompetensi Apoteker – Kolegium Farmasi Indonesia (2026)
- Surat Tanda Registrasi Apoteker – Konsil Kesehatan Indonesia (2026)

Training & Courses

- Cara Pembuatan Obat yang Baik (CPOB) – Makin Ahli (2026)
- CAPA and Root Cause Analysis In Pharmaceutical Industry - Makin Ahli (2026)
- Regulatory Affairs in Cosmetic Industry – Latih (2026)
- Quality Assurance Document – Latih (2026)
