PROFILE

I'm a recent graduate with a Bachelor of Pharmacy who is currently pursuing a Pharmacist Professional Degree. Have a great interest in learning about entrepreneurship, leadership, and management. Given interest in both design and pharmacy and combine these fields to offer an enhanced skill set especially in pharmaceutical product design. Have the ability to solve problems, think creatively and consistently. Have a high motivation to always grow to be better. Always agile, organized, and responsible in work.

EDUCATIONAL BACKGROUND

Institut Teknologi Bandung	Aug 2025-Present
- Pharmacist Professional Degree GPA : 3.75	
Institut Teknologi Bandung	Aug 2021-July 2025
- Graduate in Pharmaceutical Science and Technology GPA : 3.39
