

MUHAMMAD HASBI WIJAYA BAEHAKI

081393734301 | wijayahasbi45@gmail.com

Surabaya, Indonesia

Pharmacy graduate with practical experience gained through a pharmacist placement programme in various settings, including community pharmacies, clinical facilities and the pharmaceutical industry. Experienced in pharmaceutical services, medicines management, quality-related activities and pharmaceutical documentation. Has a particular interest in qualification, validation and calibration processes, with a high attention to detail in accordance with Good Manufacturing Practice (GMP) standards. Is adaptive, responsible and enthusiastic about continuous learning and contributing to the pharmaceutical industry.

PROFESSIONAL EXPERIENCE

RSUD Haji Provinsi Jawa Timur - Surabaya, Indonesia

Mar 2026 - May 2026

Pharmacist Student Intern

- Gained practical experience in implementing PMK No. 72 of 2016 through rotations in various pharmacy units, including Emergency Department (ED), Inpatient, Outpatient, CSSD, Operating Room (OR), and Pharmacy Logistics.
- Performed sterile dispensing of parenteral preparations using proper aseptic techniques and procedures.
- Completed 4 clinical case studies, including preparation of SOAP notes and medication recommendations based on patient conditions.
- Conducted medication reconciliation to identify and prevent potential medication discrepancies.
- Provided Medication Information and Education (KIE) to approximately 75 outpatients per day to support safe and appropriate medication use.

Puskesmas Balongsari - Surabaya, Indonesia

Jan 2026 - Feb 2026

Pharmacist Student Intern

- Provided services and information, education, and communication (KIE) for drug prescriptions with an average of 75 patients/day.
- Conducted a health promotion activity on proper medication use during the fasting month, attended by approximately 100 participants.
- Participated in home visits to patients to provide pharmaceutical care and support appropriate medication use.
- Learned how to prepare LPLPO (Drug Usage and Request Report) for pharmaceutical supply management at the health center.
- Learned the process of receiving cold-chain vaccines, including proper handling, storage, and temperature monitoring and recording to maintain vaccine quality.

PT. Pharma Health Care - Cikarang Indonesia

Oct 2025 - Dec 2025

Pharmacist Student Intern

- LAF performance qualification, including qualification testing for Class A, B, C, and D areas based on ISO 146441 and preparation of qualification reports.
- Learned and participated in the qualification of refrigerators and freezers, including temperature monitoring to ensure proper storage conditions for pharmaceutical materials.
- Developed skills in calibrating measuring instruments, such as weighing scales, pH meters, and differential pressure gauges, as well as preparing calibration reports.
- Gained experience in transport validation using data loggers, including data logger mapping, temperature and humidity monitoring, data analysis, and preparation of validation reports.

PT. Enseval Putera Megatrading - Sidoarjo, Indonesia

Sep 2025

Pharmacist Student Intern

- Understanding of the Good Distribution Practices (GDP/CDOB) regulations and their implementation at PT Enseval Mega Putera based on Peraturan BPOM No. 20 Tahun 2025.
- Organized and archived invoices and delivery documents from the past three months.
- Learned about the cold chain distribution system, including proper storage, transportation, and temperature monitoring of pharmaceutical products.
- Identified and analyzed problems in the distribution process and developed solutions using the CAPA (Corrective and Preventive Action) approach.

Apotek Farmasi Airlangga - Surabaya, Indonesia

Sep 2025 - Oct 2025

Pharmacist Student Intern

- Understanding of the implementation of Permenkes No 73 2016 in daily pharmacy practice at Airlangga Pharmacy.
- Provided pharmaceutical services to approximately 75 patients per day, applying a patient-centered approach and providing appropriate information about medication use.
- Conducted a health promotion activity on drug interactions with approximately 50 participants, providing information about potential drug interactions and their prevention.
- Improved skills in patient care, pharmaceutical services, health promotion, pharmacy management, and prescription documentation.

- Follow the workflows of the RSKI Pharmacy Department, including planning, procurement, storage, and distribution of medications.
- Observe and document the inventory count process, as well as the management of high-alert medications and narcotics.
- Assist with outpatient and inpatient prescription services, and verify prescriptions together with a supervising pharmacist.

- Studying the implementation of clinical pharmacy service standards (PMK No. 72 of 2016) in the ICU.
- Assisting in the preparation of equipment and supplies used in the preparation of Total Parenteral Nutrition (TPN) in accordance with aseptic principles
- Conducting rounds and medication reconciliation with clinical pharmacists in the ICU to ensure the accuracy of drug therapy and prevent duplication, interactions, and medication errors.

EDUCATION

- Thesis: Baehaki, M. H. W. 2025. In Vivo Aphrodisiac Activity of a SNEDDS Formulation Combining 70% Ethanol Extracts of Javanese Chili (Piper retrofractum Vahl) and Red Ginger Rhizome (Zingiber officinale var. rubrum).
- Publication: Baehaki, M. H. W., et al. 2024. Knowledge and Practices of Medication Management Among Older Adults with Hypertension, With andWithout Diabetes Mellitus, Undergoing Polypharmacy. Journal of Community Pharmacy Vol. 11, No. 2, (2024) 143–150.
- Best Cadere of the Year, BEM FF UNAIR 2023.

ORGANIZATIONAL EXPERIENCE

- Successfully organized the scientific conference “Medical and Therapeutic Forum: Indonesia Conference of Health and Medicine,” with over 1,200 participants, including academics, students, and healthcare professionals.
- Hosted the discussion forum “A Day to Explore Current Issues,” attended by over 250 new students, and served as the moderator.
- Conducted weekly discussions on current issues and shared them via the BEM FF UNAIR social media channels.

- Served as part of the conference’s strategic steering team, providing general guidance, technical assistance, and a comprehensive evaluationof the entire event planning and execution process.
- Participated in key decision-making regarding the event theme, keynote speakers, the registration process, and strategies for publicity and partnerships.
- Monitor the progress of inter-departmental coordination and ensure that all activity timelines are met efficiently.
- Conduct a final evaluation of the event and prepare a strategic accountability report, as well as provide recommendations for the implementation of similar events in the future.

- Supporting the success of a national conference on the theme “Research and Innovation for Global Health Transformation in the Post-Pandemic Era”, attended by over 300 international participants.
- Managing the IT and technical aspects of the event, such as Zoom/webinar management, screen sharing, backing up presentation data, and troubleshooting technical issues during the event.

- Supporting the success of a national conference on the theme “Pharmacy and Pharmaceutical Science: Contributions to Sustainable Development Goals, Good Health and Well-being”, attended by over 200 international participants.
- Managing the IT and technical aspects of the event, such as administering Zoom/Webinar sessions, screen sharing, backing up presentation data, and troubleshooting technical issues during the event.
