0895803218850 | rikaamarp@gmail.com | www.linkedin.com/in/rika-angeliana-marpaung-2788a5216/

I am a fresh graduate from the Bachelor of Pharmacy program at Widya Mandala Catholic University Surabaya with strong analytical thinking, high attention to detail, and a deep interest in the pharmaceutical industry. Throughout my academic journey, I consistently demonstrated responsibility in laboratory work, research activities, and scientific problem-solving. I adapt quickly to new methods, technologies, and work environments, allowing me to navigate challenges in both individual and collaborative research settings.
