

Dear Recruitment Team of Mersifarma,

I am writing to express my interest in the Staff Analytical Development position at your company. I am currently pursuing the Pharmacist Professional Program at Universitas Indonesia with internship experience in pharmaceutical quality control and laboratory analysis.

During my internship at PT Mahakam Beta Farma, I was involved in physicochemical testing of pharmaceutical products, including dissolution testing, assay preparation, pH, viscosity, and particulate analysis. I also gained exposure to GMP documentation review, in-process control, and cross-functional collaboration with QA, R&D, and Production teams.

In addition, my experience as a laboratory assistant at the Faculty of Pharmacy Universitas Indonesia strengthened my familiarity with analytical instruments, pharmaceutical analysis, and data interpretation.

I am detail-oriented, adaptable, and able to work both independently and collaboratively in a fast-paced environment. I believe my academic background, analytical skills, and eagerness to learn would allow me to contribute positively to the Analytical Development team.

I have attached my CV for your consideration and would welcome the opportunity to further discuss my qualifications. Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,

Shania Felisia

SUMMARY

Apothecary (Pharmacist Professional Program) student at Universitas Indonesia with internship experience in pharmaceutical quality control, regulatory support, and pharmaceutical management. Interested in industrial pharmacy roles and regulatory with a foundation in analytical testing, GMP compliance, and data processing. Also exposed to clinical and community pharmacy settings.

WORK EXPERIENCES

APOTEK ROXY, JAKARTA | APRIL 2026

COMMUNITY PHARMACY INTERN

- Assisted in prescription dispensing and OTC recommendations in a retail pharmacy setting
- Supported inventory management, including stock monitoring and expiry date checks

PUSKESMAS KECAMATAN KEMBANGAN, JAKARTA | MARCH 2026

CLINICAL & COMMUNITY PHARMACY INTERN

- Dispensed medications and supported pharmacy services in a primary care setting
- Managed inventory, including stock control, expiry date (ED) monitoring, and LPLPO reporting
- Supported prescription review and identified potential drug-related issues under pharmacist supervision

PT. MAHAKAM BETA FARMA, JAKARTA | JANUARY - FEBRUARY 2026

QUALITY CONTROL INTERN

- Assisted in physicochemical testing of pharmaceutical products (solid, liquid, sterile), including dissolution, assay preparation, weight variation, pH, viscosity, specific gravity, titration, and particulate analysis.
- Assisted in raw material identification using Raman spectroscopy and supported documentation review (CPBB/LPBB) in compliance with GMP requirements.
- Assisted in reviewing batch documents (CPP/LPP) and supported in-process control (IPC) to ensure product quality and consistency.
- Gained exposure to formulation processes, manufacturing workflows (dispensing, mixing, granulation, filling, packaging), and cross-functional collaboration with QA, R&D, and Production teams.

RSUP FATMAWATI, JAKARTA | NOVEMBER – DECEMBER 2025

CLINICAL PHARMACY INTERN

- Reviewed prescriptions and supported rational drug use evaluation for inpatient wards
- Assisted in medication reconciliation, pharmacotherapy monitoring, and ADR documentation
- Prepared drug therapy summaries and identified potential drug-drug interactions for clinical review
- Assisted medication dispensing processes and observed patient counseling in outpatient settings

PT. IMCD INDONESIA, JAKARTA | OCTOBER 2025

HEALTH, SAFETY, ENVIRONMENT, QUALITY AND REGULATORY INTERN

- Monitored storage conditions (e.g., temperature control) of raw materials and reference standards in compliance with GDP/GMP requirements
- Performed material inspection and verification, including reconciliation with batch records and shipping documents to ensure traceability
- Reviewed and maintained controlled documentation to support data integrity, regulatory compliance, and halal assurance requirements

SHANIA FELISIA

- Supported quality and regulatory activities, including compliance checks, audit preparation, and halal-related documentation review

FACULTY OF PHARMACY OF UNIVERSITAS INDONESIA | SEPTEMBER 2024 TO JUNE 2025

LABORATORY ASSISTANT OF SOLID DOSAGE FORM MANUFACTURING, PHARMACEUTICAL AND PHYSICOCHEMICAL ANALYSIS LABORATORY

- Facilitated laboratory sessions covering solid dosage form manufacturing, pharmaceutical and physicochemical analysis
- Operated analytical instruments and guided data acquisition and interpretation of results
- Prepared reagents and ensured compliance with SOPs and laboratory safety standards
- Supported evaluation of student laboratory performance and reports by providing structured feedback aligned with learning outcomes

MINISTRY OF HEALTH OF THE REPUBLIC OF INDONESIA | JUNE 2024

DIRECTORATE OF PHARMACEUTICAL MANAGEMENT AND SERVICES - INTERN

- Analyzed national vaccine consumption data across 34 provinces (Jan–May 2024) to support evidence-based distribution planning and procurement decisions.
- Conducted comparative review of Fornas 2023 vs. WHO EML 2023 and processed SIMONA pharmaceutical registration data across 12 lowest-performing provinces for policy alignment reporting.
- Verified formulary patent status using the FDA Approved Drug Database, ensuring regulatory accuracy across multiple drug classes in the national formulary.
- Compiled and presented a data summary report on provincial pharmaceutical gaps, supporting the Directorate's annual planning documentation.

EDUCATION & QUALIFICATIONS

PHARMACIST PROFESSIONAL PROGRAM (apt.) – UNIVERSITAS INDONESIA

2025 – Present (Expected 2026)

GPA: 3,91

BACHELOR OF PHARMACY (S.Farm.) – UNIVERSITAS INDONESIA

2021 – 2025

GPA: 3,64

ENGAGEMENTS

GOOD PHARMACY PRACTICE EDUCATION 2022 (GPPED) – ISPF APRO | FEBRUARY TO OCTOBER 2022

CHIEF OF DOCUMENTATION

- Led documentation and reporting for an international pharmacy education event (IPSF APRO)

BEM FAKULTAS FARMASI UNIVERSITAS INDONESIA | FEBRUARY 2022 TO FEBRUARY 2023

STAFF OF MEDIA AND PUBLICATION BUREAU

- Managed social media and digital publications for Faculty of Pharmacy Student Executive Board

ADDITIONAL INFORMATIONS

Languages: Bahasa Indonesia (native), English (working proficiency), Chinese (basic)

Technical Skills: Microsoft Office (Word, Excel, PowerPoint), UV-Vis Spectrophotometer, Dissolution Apparatus, GMP Documentation, SOP Development & Compliance, Batch Record Review, Certificate of Analysis (CoA), In-Process Control (IPC), Deviation Handling, BPOM Regulatory Framework, CPKB (Cosmetic GMP), Fornas, WHO EML, SIMONA, FDA Approved Drug Database
