Kota Tangerang Selatan, Indonesia

Licensed Pharmacist (Apt.) graduated from UIN Syarif Hidayatullah Jakarta (GPA 3.93/4.00) with a strong research background in DPPH antioxidant stability testing for ERF creams. Demonstrates comprehensive Pharmacist Professional Internship (PKPA) experience across various sectors, including the pharmaceutical industry, regulatory (BPOM), and distribution (PBF). Possesses a deep understanding of GMP (CPOB), GDP (CDOB), and quality assurance/quality control (QA/QC). Highly leadership-driven, adaptive, and ready to bring analytical precision to make an optimal contribution to the pharmaceutical industry and healthcare services.

Professional Experience

PT. Darya Varia Laboratoria, Tbk. - Gunung Putri, Bogor Oct 2025 - Nov 2025

Pharmacist Professional Practice - Microbiology Quality Control (QC) Department

- QC Validation: Drafted 14 protocols and 11 validation reports for microbiological analysis (TAMC, TYMC, pathogens) across multiple dosage forms.
- Data Traceability: Maintained 100% data traceability for incoming samples to optimize daily laboratory tier board updates.
- Environmental Monitoring: Monitored 5 critical GMP areas and drafted corresponding SOPs.
- QC Workflows: Reviewed critical testing including Antibiotic Potency, Sterility, Vitamin B12 Assays, and Vitek automated identification.
- System Administration: Managed e-SOP system updates for critical QC Microbiology instruments and analytical balances.
- Deviation & CAPA: Investigated 1 microbial deviation, compiled bacterial trend reports, and mapped QMS CAPA workflows.

Badan Pengawas Obat dan Makanan (BPOM) - Jakarta Pusat Sep 2025

Pharmacist Professional Practice - ONPP Distribution Supervision Directorate

- Conducted a comparative study on narcotic drug import regulations under the Special Access Scheme across 9 countries (including Australia, Germany, and Singapore) as a benchmark for national drug distribution policies
- Detected 16 illegal online shops selling prescription drugs via web crawling (10 Shopee, 4 Tokopedia, 2 Lazada) and coordinated with platforms for takedowns.
- Developed digital educational materials (GDP infographics and AMR awareness videos) and drafted a comprehensive resume of the WHO Training Toolkit on Substandard and Falsified Products (SFMP)

PT. Penta Valent Tbk Jakarta Branch 2 - Jakarta Timur, Indonesia Aug 2025

Distribution Pharmacist Professional Practice

- Managed the procurement and distribution of regular medicines, Psychotropics, Precursors, Certain Out-of-Track Drugs (OOT), Cold Chain Products (CCP), and medical devices in compliance with GDP (CDOB) and GDPMD (CDAKB) standards.
- Warehouse Management: Conducted temperature monitoring, Purchase Order (PO) verification, stock inventory control, and handled procedures for recalled or damaged products.

Educational Background

Universitas Islam Negeri Syarif Hidayatullah Jakarta - Kota Tangerang Selatan Feb 2025 - May 2026

Certificate in Apothecary, 3.93/4.00

- Successfully achieved a score of 87.5/100 on the National Competency Examination for Pharmacist Profession Students (UKOMNASPDPA) via CBT method.

Universitas Islam Negeri Syarif Hidayatullah Jakarta - Kota Tangerang Selatan Sep 2020 - Aug 2024

Bachelor of Pharmacy, 3.40/4.00

- Conducted research on Antioxidant Stability Test of Epigallocatechin-3 gallate Rich Fraction (ERF) Cream with Varying ERF Concentrations Using the DPPH (1,1-Diphenyl-2-Picryl Hydrazyl) Method.

Leadership & Organizational Experience

NovoClub Feb 2022 - Apr 2023

Campus and Regional Ambassador

- Strengthened brand awareness and community management by initiating and leading student-driven leadership projects.
- Served as an operational team member (Runner) to ensure the operational success of the Batch 2 Welcoming Party, which achieved a MURI Record with over 30,000 attendees.
