## EXPERIENCE

### INSPECTOR QUALITY CONTROL

07/2025 - Present

PT LEMONILO CAHAYA MAKMUR ↗

- Carry out inspections of process control points and critical control points in accordance with Work Instructions within their respective areas.
- Coordinate with relevant parties within their respective areas regarding the determination of status and the handling of non-conforming products.
- Implement programmes and activities relating to quality management systems, food safety, halal assurance systems, GMP, 5S and occupational health and safety.
- Report to the designated Management Team regarding the handling of non-conformities relating to product quality, authenticity, legality and safety.
- Monitor the implementation of sanitation procedures in their respective areas. (Additional Duties)
- Coordinate with or delegate to the QC Shift Leader or other QC Inspectors if encountering cases that fall outside the authority or responsibility of the QC Inspector.
- Monitor process parameters in accordance with established standards.
- Monitor the arrival of raw materials and packaging materials in accordance with established standards.
- Ensure that the handling of non-conforming products complies with established standards.
- Report on the handling of deviations relating to product quality, authenticity, legality and safety.

### QUALITY CONTROL (INTERSHIP)

07/2024 - 04/2025

PT TORABIKA EKA SEMESTA Tbk ↗

- Analyze raw materials and finished products to ensure quality is up to standard. Accompanying participants during training
  - Chemical, physical, organoleptic and microbiological testing to detect contamination or non-conformity
  - Preparation of test result reports as a basis for evaluation and improvement of the production process
- Coordination with production team to ensure compliance with quality standards.

## EDUCATION

### Chemical Engineering ↗

08/2022 - 09/2025

Padang Industrial Technology Academy Polytechnic - Associate Degree

Application of HACCP and GMP in the Food Industry | Politeknik ATI Padang Padang, West Sumatra

- Understand international standards to ensure the safety and quality of food products
- Learn to identify, assess and control potential hazards in the food production process
- Students know the best practices in food production to produce high quality products

Business Pitching Competition | Management & Science University Malaysia Aug 2024

- Obtained a top 5 ranking in international level competencies with products making aromatherapy candles from used oils
- The ability to convey business ideas clearly and attractively, skills that are highly valued in academic and professional activities.
- Requires critical and analytical thinking in formulating business solutions, so that the certificate demonstrates competence in the business field internationally

Training Aspen Hysys | PT Kilang Pertamina Balikpapan Nov 2024

- Process Simulation in Aspen Hysys
- Design optimisation
- Calculation

Liaison Officer | Politeknik ATI Padang May – Jun 2024Padang, West Sumatra

- Accompanying participants during training “Capacity Building Training on Diversification of Coconut Products for Carribean”
- Convey information between related parties and participants during training
- Coordinator of participants outside of training activities

CERTIFICATES

Internal Auditor ISO 45001 : 2018 Based On ISO 19011 : 2018 04/2026 - Present

hosted by the Faculty of Business Management and Professional  
Studies.

Associate Professor Nurul Asyikeen binti Abdul Jabar  
Dean  
Faculty of Business Management and Professional Studies  
Management and Science University

## CERTIFICATE TRAINING

AUDITOR INTERNAL ISO 45001 : 2018  
OCCUPATIONAL HEALTH & SAFETY MANAGEMENT SYSTEM  
BASED ON ISO 19011 : 2018

No.058/CERT-AI-OHSMS/HEC/III/2026

Presented to :

*Chatrine Shellomita Br Karo*

For participation as a certification training with the topic  
"Auditor Internal ISO 45001 : 2018 Occupational Health and Safety Management System"  
held by **HECCONS LEARNING & CONSULTING, Surabaya 11 April 2026**

Surabaya, 11 April 2026  
PT. HECCONS GLORI INDONESIA

Made Yenny Puspitarini, S.T., M.KKK  
QHSE Practitioner & ISO Specialist

Certificate ID: 013.OGCP.ALPHAPI.IV.2025

# CERTIFICATE

## Of Completion

This Certificate is Proudly Presented to

**CHATRINE SHELLOMITA BR KARO**

Has Successfully Completed Training Oil and Gas Construction Plan.

Delivered by Syahril Dian Purwono, S.T., M.T.

Publish on 5 April 2025.

NURKHOZIN ADHI NUGROHO, S.T., M.T.  
CEO ALPHA PETROLEUM INDONESIA

MAYORA
