082371299409 | annissasekar0@gmail.com | <https://www.linkedin.com/in/annissa-sekar-azzahra-475abb379>

Pharmacist from Universitas Gadjah Mada with a GPA of 3.95 and practical experience in validation and manufacturing risk control. Experienced in process validation, OPV, temperature mapping, deviation investigation, root cause analysis, and CAPA, with exposure to GMP/CPOB. Skilled in analytical problem-solving, documentation, and teamwork, and attention to detail.

Work Experiences

RS PKU Muhammadiyah Kota Yogyakarta - DI Yogyakarta, Indonesia

Apr 2026 - May 2026

Pharmacist Intern

- Conducted Medication Therapy Monitoring (MTM), medication reconciliation, and supported pharmaceutical procurement, inventory management, and hospital pharmacy operations.

PT Bayer-Cimanggis Plant - Kota Depok, Indonesia

Feb 2026 - Mar 2026

Pharmacist Intern

- Participated in pharmaceutical manufacturing process reviews, batch record evaluation, and production deviation investigations.
- Applied investigation tools (Fishbone Diagram, 5 Whys, and 5W1H) to support root cause analysis and CAPA development.
- Contributed to a deviation process standardization project and managed deviations using the IQMS.

PT United Dico Citas - DI Yogyakarta, Indonesia

Jan 2026

Pharmacist Intern

- Supported cold chain distribution through shipping validation, temperature monitoring, regulatory reporting (E-WAS, E-Report PBF, PBK, and PBOT), and pharmaceutical documentation management.

PT Konimex - Jawa Tengah, Indonesia

May 2025 - Jul 2025

Validation Intern

- Prepared Ongoing Process Verification (OPV) protocols and reports in compliance with GMP and quality standards.
- Supported process validation by preparing validation protocols, analyzing data, and completing validation reports.
- Conducted temperature and humidity mapping, including protocol/report preparation and environmental monitoring of controlled areas.

Department of Pharmaceutical Chemistry, Faculty of Pharmacy, Universitas Gadjah Mada - DI Yogyakarta, Indonesia

Feb 2024 - Jul 2024

Chromatography Laboratory Assistant

- Assisted laboratory practical sessions by coordinating activities, preparing equipment, and guiding students in analytical techniques including UV-Vis, TLC, column chromatography, GC, and HPLC.

Department of Pharmaceutics, Faculty of Pharmacy, Universitas Gadjah Mada - DI Yogyakarta, Indonesia

Aug 2023 - Nov 2023

Solid Dosage Formulation and Technology Laboratory Assistant

- Assisted laboratory practical sessions by coordinating activities and guiding students in solid dosage formulation techniques, including granule evaluation, tablet production, and quality testing.

Department of Pharmaceutics, Faculty of Pharmacy, Universitas Gadjah Mada - DI Yogyakarta, Indonesia

Feb 2024 - Jul 2024

Liquid and Semisolid Dosage Form Formulation and Technology Laboratory Assistant

- Assisted laboratory practical sessions by guiding students in liquid and semisolid dosage formulation techniques, including syrups, emulsions, suspensions, creams, gels, ointments, and suppositories.

Department of Pharmaceutical Chemistry, Faculty of Pharmacy, Universitas Gadjah Mada - DI Yogyakarta, Indonesia

Feb 2023 - Jul 2023

Molecular Biology Laboratory Assistant

- Assisted molecular biology laboratory practical sessions by coordinating activities, preparing equipment, and guiding students in bioinformatics, DNA isolation, PCR, and DNA electrophoresis techniques.

Education Level

Universitas Gadjah Mada - DI Yogyakarta

Aug 2025 - Sep 2026

Apothecary Profession Program, 3.95/4.00

- Professional Internship (Pharmaceutical Industry): Gained hands-on experience in manufacturing risk control through deviation investigations, root cause analysis, CAPA development, and quality management system (IQMS).
- Professional Internship (Hospital): Developed clinical pharmacy and hospital management competencies through medication therapy monitoring, medication reconciliation, and pharmaceutical supply management.
- Professional Internship (Distributor): Applied Good Distribution Practice (CDOB), temperature monitoring, regulatory reporting, and distribution documentation.

Universitas Gadjah Mada - Yogyakarta, Indonesia

Aug 2021 - May 2025

Bachelor of Pharmacy, 3.85/4.00

- Undergraduate Thesis : Optimization of Xylitol and Glucose as Base Ingredients in the Development of Hard Candy Containing Chrysanthemum indicum
- Validation Internship: Ongoing Process Verification (OPV), Process Validation, and Temperature Mapping in Pharmaceutical Manufacturing

Organisational Experiences

Dies Natalis Farmasi Ke-77 - Yogyakarta, Indonesia

Mar 2023 - Oct 2023

Staff of Fundraising Division

- Assisting in carrying out the duties and work programs of the fundraising division

BEM KMFA UGM 2023 - Yogyakarta, Indonesia

Feb 2023 - Dec 2023

Deputy Head of Departemen Wirausaha dan Inovasi

- Collaborated with department leaders and internal/external teams to develop work plans and coordinate program implementation.

BEM KMFA UGM 2022 - Yogyakarta, Indonesia

Feb 2022 - Nov 2022

Staff of Departemen Wirausaha dan Inovasi

- Collaborated with team members to plan and implement departmental programs, ensuring effective execution of organizational initiatives.

Dies Natalis Farmasi Ke-76 - Yogyakarta, Indonesia

Feb 2022 - Oct 2022

Staff of Fundraising Division

- Assisting in carrying out the duties and work programs of the fundraising division

Skills, Achievements & Other Experiences

- **Hard Skills** : Good Manufacturing Practices, Quality System, Data Analysis, Good Documentation Practices, Microsoft Office, and Canva
- **Soft Skills**: Problem Solving, Attention to Detail, Teamwork, Adaptability
