WORK EXPERIENCE

PT Bloomery Sekawan Sejahtera (Bloomery Patisserie) | Yogyakarta, Indonesia

Purchasing – Contract (November 2025 – present)

- Expanded supplier network by sourcing 3+ new vendors per month, strengthening supply resilience and reducing dependency on single suppliers.
- Managed procurement budgeting for 2 warehouses (Central Java & Jakarta), maintaining 98% budget compliance and ensuring alignment between forecast and actual spending.
- Negotiated and executed 10+ supplier and vendor contracts per quarter, securing more competitive pricing and stable service level.
- Achieved ~97% invoice accuracy by validating Purchase Orders, invoices, and delivery data while processing 30+ invoices daily, strengthening financial control.
- Ensured ~95% on-time payment performance, coordinating invoice processing and submission to finance to prevent delays.
- Optimized procurement lead time with average GR turnaround of 1.8 days, improving inventory flow and operational efficiency.
- Led procurement of utilities and assets for a new store opening, achieving 100% item accuracy and on-time delivery within a strict timeline.

PT Bloomery Sekawan Sejahtera (Bloomery Patisserie) | Yogyakarta, Indonesia

Purchasing – Intern (April 2025 – October 2025)

- Assisted in executing end-to-end purchasing processes for various categories, including stationery, manufacturing equipment, cleaning supplies, and utilities for the head office, 2 warehouses, and 14 stores.
- Managed 10+ vendor communications and ensured timely delivery of goods in accordance with company policies and budgets.
- Generate and process 100+ Purchase Orders, ensuring purchase requests are accurately detailed and communicated to all relevant divisions.
- Created weekly and monthly analytical reports from 2 warehouses and 14 stores using Excel to evaluate Purchase Order accuracy, lead time, pricing trends, and potential cost savings across key categories including stationery, cleaning supplies, manufacturing equipment, utilities, and marketing materials.

PT Bersama Zatta Jaya (Elcorps) | Bandung, Indonesia

Management Logistic – Intern (February 2024 – June 2024)

- Managed the receipt of Purchase Order and Job Order for finished goods, raw materials, and sub-materials, and created material fulfillment.
- Utilized Excel Pivot Tables to compile and analyse 300+ purchase and job order records, identifying key trends and insights.
- Executed daily allocation for 5+ stores with approximately 25 trays for outbound shipments while ensuring accuracy in barcode scanning, product inspections, and system data entry.
- Analyzed lead times from 3+ different 3PL providers and created data from these lead times to assess their performance.
