SUMMARY

A hard working, active, creative and positive Industrial Engineer graduate in 2018 with good leadership, organizational, and communication skills. Having experience as Production Planner & Inventory Control in Food Processing company for almost 4 years

EDUCATION

National Institute of Technology Malang (ITN Malang)

Bachelor of Engineering, Majoring in Industrial Engineer

Malang, East Java, ID

September 2018

- Grade Point Average : 3.53/4.0
- Thesis Topic: "Information system design for inventory control in PT Waskita Beton Precast based on Microsoft Visual Basic 6.0"

EXPERIENCES

PT. Gudang Garam Tbk

Internship – as Production Admin

Kediri, East Java, ID

February 2017 – April 2017

- Daily Reconcile with other production admin to ensure all production report are match with actual output & operate SAP R/3 to input (Good Receipt & Good issue) all material that used in production
- Daily Coordination with material store to ensure every transaction for production already complete
- Observe any problem about administration with Supervisor

PT. Waskita Beton Precast Tbk

Internship – as Logistic Assistant

Sidoarjo, East Java, ID

June 2017 – September 2017

- Ensure every material that already requested to vendor arrive in time, and make sure the quantity match with Purchase Order
- Operate SAP to Good Receipt any incoming material & create Purchase Request based on user's need
- Coordinate with purchasing to arrange delivery from vendor
- Monitoring purchase request & purchase order from SAP
- Arrange schedule of delivery precast concrete to customer, ensure no delay time in delivery

PT. Bungasari Flour Mills Indonesia

Management Trainee Batch 1 – MT Manufacturing

Cilegon, Banten, ID

January 2019 – June 2020

- Assign in PPIC Department to learn more about PPIC in Flour Mills and having responsibility to create weekly production plan for phase 2 plant in cilegon, maintain supporting material & packaging material in warehouse, and ensure all available finish good in warehouse are same based on sales request/forecast, and operate SAP to ensure all production admin's transaction are match with daily report

PT. Bungasari Flour Mills Indonesia
PPIC Supervisor

Cilegon, Banten, ID
July 2020 – March 2023

- Assign as Supervisor in PPIC department to ensure New Plant in Medan are running smoothly by creating & monitoring weekly production plant based on capacity planning, ensure all supporting & packaging material are available for production process, maintain safety stock in warehouse by coordination with Supply Chain team, operate SAP to maintain Bill Of Material, Master Receipt & Production Version of every product that produce in medan, Coordinate with PPIC staff & Supply chain team about demand planning, assist, mentoring & brainstorming with PPIC staff to solve issue in PPIC, daily discussion with R&D about formula , daily coordination with production team about production progress, and double checked all PPIC report created by PPIC staff

PT. Asharia Karya Indonesia
PPIC & Warehouse Supervisor

South Jakarta, ID
April 2023 – April 2024

- Assign as PPIC Supervisor in Supply Chain department to ensure Production & Warehouse running smoothly by creating weekly production plant based on capacity planning & forecast from demand planner, ensure all Raw & Packaging material are available in production in central kitchen, maintain safety stock in warehouse, ensure availability of dough in warehouse, operate SAP to maintain bill of material , and production order. maintain stock accuracy between system and actual, ensure material in or out using fifo system, coordinate with R&D about formula, double check all production and warehouse report,

Bussiness Adviser

North Jakarta, ID
April – July 2024

- Manage & advise Parent's Bussiness in Retail in East Java & Custom Clearance in Koja, North Jakarta

PT Astari Niagara International
PPIC Assistant Manager

Cikupa, Tangerang, ID
August 2024 - Now

- Assign as PPIC Assistant Manager in Supply & Demand Planning department to ensure New Plant in Talagamas running smoothly by Proposing production qty to PPIC Manager based on MTS/ MTO item and forecast , creating and monitoring monthly production plan, maintain safety stock of finished god in warehouse, operate QAD to maintain Bill Of Material of every product in Talagamas Plant, maintain safety stock of raw material and packaging material, maintain WIP in production area , daily coordination with production and warehouse team and Double Check all PPIC report create by PPIC Staff

ACHIEVEMENTS

- Develop template for Production Plan, Material Requirement Plan, Inventory Control report for new plant in Medan
- Develop database for SAP BeOne (PP & MM) for medan plant in August 2020
- Develop database for SAP S/4 Hana (PP & MM) for medan plant in December 2020
- 2nd Place in Bungasari Quality Improvement Program V in February 2021
- Develop Material Locator for PT Asharia Karya Indonesia Warehouse
- Handling Halal Audit Certification for PT Asharia Karya Indonesia
- Develop Template for Production Plan, Material Requirement Plant , Inventory Control report for PT Asharia Karya Indonesia
- Develop New SOP & System to Maintaining WIP in Production for PT Astari Niagara Plant Talagamas

ADDITIONAL

Skills: Microsoft Office, Microsoft Access, Microsoft Visual Basic, SAP BeOne , and SAP S/4 Hana

Languages: Indonesia; English Professional Proficiency, Javanese

Competency : Production Planning, Inventory Control, Material Requirement Planning, Supply Planning, Demand Planning

INSTITUT TEKNOLOGI NASIONAL MALANG

Rifqi Rizaldo

Memberikan ijazah kepada :
Tempat / tanggal lahir : Kotamadya Pekalongan / 23 Juli 1997
NIM / tahun masuk : 1413053 / 2014
Program Pendidikan : Sarjana (S.1)
Fakultas : Teknologi Industri
Jurusan : Teknik Industri
Program Studi : Teknik Industri
Status : Terakreditasi berdasarkan Surat Keputusan Badan Akreditasi Nasional Perguruan Tinggi
Nomor : 0190/SK/BAN-PT/Akred/S/II/2017 tanggal 10 Januari 2017.
Tanggal Kelulusan : 08 September 2018

Ijazah ini diberikan setelah yang bersangkutan memenuhi semua persyaratan yang ditentukan, dan kepadanya dilimpahkan segala wewenang dan hak yang berhubungan dengan Ijazah yang dimilikinya, serta berhak memakai gelar akademik SARJANA TEKNIK (S.T.).

Dr. F. Yudi Limpraptono, S.T., M.T.
