Portfolio: <https://bit.ly/AyuWidiaFathiahPortfolio>

Licensed Pharmacist with academic knowledge and practical experience gained through professional training and internships. Knowledgeable in quality systems, manufacturing processes, documentation management, and regulatory compliance, with practical exposure to CPOB, CPKB, and CDOB implementation. Detail-oriented, analytical, and adaptable, with strong communication and teamwork skills. Committed to continuous learning and eager to contribute to quality and regulatory functions within the pharmaceutical and cosmetics industry.

EDUCATION

Bhakti Kencana University

2025 – 2026

Pharmacist Professional Program – GPA 3.86/4.00

University of Muhammadiyah Malang

2020 – 2024

Bachelor of Pharmacy – GPA 3.20/4.00

Thesis: “Optimization of Peeling Gel Formulation Combining Aloe vera with AHA-BHA as an Exfoliator”

- Designed and executed formulation development of peeling gel products by evaluating different active ingredient concentrations and formulation parameters.
- Conducted comprehensive product assessments, including physicochemical characterization, freeze-thaw stability testing, pH analysis, viscosity, spreadability, adhesiveness, and exfoliation effectiveness evaluation.
- Operated laboratory equipment and analyzed experimental data to support formulation optimization and product quality improvement.

INTERNSHIP EXPERIENCE

CV. DIAN INDAH ABADI (RAYCORP Lunaray group)

July– August 2025

Professional Pharmacist Internship – QA & Production
