PROFESSIONAL PROFILE

Cum Laude graduate of the Pharmacist Professional Program at the University of Indonesia with a strong interest in Product and Packaging Development within the pharmaceutical industry. Possesses hands-on experience in Quality Control (QC), including analytical methods, stability studies, and quality documentation in accordance with ICH guidelines. Familiar with pharmaceutical product development, packaging-related documentation, regulatory requirements, and cross-functional collaboration to support product lifecycle activities. Knowledgeable in GMP/CPOB, GDP, and pharmaceutical quality systems within regulated environments. Detail-oriented, analytical, and adaptable, with strong problem-solving skills and a commitment to innovation, quality, and continuous improvement.

INTERNSHIP EXPERIENCE

Clinical Pharmacy Intern

University of Indonesia Hospital (RSUI)

Sep 2025 – Oct 2025

- Dispensed medications accurately and verified prescriptions for quality and dosage compliance.
- Monitored stock accuracy through systematic opname activities.
- Prepared non-sterile pharmaceutical preparations (ointments and capsules) per standard procedures.

QC Intern — Laboratory & Documentation

PT Sterling Products Indonesia (Haleon Indonesia)

Jul 2025 – Aug 2025

- Developed and streamlined laboratory report templates for product release and stability testing, improving documentation efficiency and supporting GDP implementation.
- Designed and standardized templates for stability assessment and change control to enhance consistency within the Quality Management System (QMS).
- Prepared stability protocol templates in accordance with ICH Guidelines and regulatory requirements.
- Assisted in the development of Standard Operating Procedures (SOP) for attendance systems with structured documentation.
- Compiled halal material documentation in compliance with KMA No. 748/2021 to support regulatory readiness.
- Supported regulatory audit processes by BPOM, ensuring compliance with GMP/CPOB and applicable regulations.

Pharmacy Intern

Kimia Farma Pharmacy (Matraman)

Jun 2025 – Jul 2025

- Supported pharmacy services by ensuring accurate dispensing based on prescriptions.
- Provided patient counseling and guidance for appropriate self-medication
- Supported patient education for Prolanis (Chronic Disease Management Program).

Pharmaceutical Wholesaler Intern

PT Tri Sapta Jaya

May 2025 – Jun 2025

- Managed and aligned product master data with regulatory databases to ensure compliance.
- Compiled and analyzed distribution (genba) data to support operational monitoring at national level.
- Identified and documented expired marketing authorization (NIE) products as part of regulatory compliance control.

Pharmacy Intern

Puskesmas Makassar

Apr 2025 – May 2025

- Ensured accurate dispensing and labeling of medications per standard protocols.
- Provided patient education on HIV therapy, medication use, and adherence.

EDUCATION

Universitas Indonesia	2025 – 2026
Pharmacist Professional Program	GPA 3.67
Universitas Pembangunan Nasional "Veteran" Jakarta	2020 – 2024
Bachelor of Pharmacy	GPA 3.51

CERTIFICATIONS & TRAINING

Instrument High-Performance Liquid Chromatography (HPLC)	13 June 2026
TemanLab · No: 013/TO/59340/1306/2026	
Quality Assurance (QA) in Pharmaceutical Industry	30 May 2026
Makin Ahli · No: 219/AF-0F8/MA/V-2026	
FTIR Spectroscopy Fundamental – One Day Training	24 Sep 2024
PT Ditek Jaya · No: SIR/24/IX/24-02	
Liquid Chromatography Fundamental – One Day Training	19 Sep 2024
PT Ditek Jaya · No: SLC/19/IX/24-02	

SKILLS & COMPETENCIES

Quality & Regulatory: GMP / CPOB · GDP · GLP · Quality Management System (QMS) · Change Control · Documentation

Analytical & Laboratory: Laboratory Report · Stability Assesment · Stability Protocol · Standard Operating Procedures · Lab Instrumentation

Regulatory Knowledge: ICH Guidelines · BPOM Compliance · NIE Registration · KMA 748/2021 (Halal)

Software: Microsoft Office (Excel, Word, PowerPoint) · Laboratory Documentation Systems

Language: Bahasa Indonesia (Native) · English (Professional Working Proficiency)

ORGANIZATIONAL EXPERIENCE

Head of Student Welfare and Advocacy Division
Faculty of Medicine Pharmacy Student Association — UPN "Veteran" Jakarta
Jan 2023 – Des 2023

- Led and coordinated divisional programs, managing cross-functional student teams effectively.
- Acted as liaison between students and faculty for academic and non-academic matters.

LABORATORY EXPERIENCE

Laboratory Teaching Assistant
Phytochemistry · Pharmaceutical Chemistry · Pharmaceutics — UPN "Veteran" Jakarta
Feb 2022 – Jun 2023

- Assisted in laboratory demonstrations and practical sessions.
- Managed laboratory materials and maintained equipment readiness.
- Applied Good Laboratory Practice (GLP) in all laboratory activities.
