EDUCATION

IPB UNIVERSITY
Bachelor of Science in Biochemistry
GPA 3.78/4.00 (Cumlaude)

Relevant Courses: Industrial Toxicology, Occupational Health and Safety, Environmental Chemistry, and Analytical Chemistry.

SKILL

Hard Skill

- Analytical and Data Interpretation.
- Biochemistry Laboratory Techniques.
- Public Speaking and Presentation.
- Quality Control.
- Report Preparation.
- Occupational safety and health (OSH).
- Handling Of Chemicals And Samples.
- Operation Of Laboratory Equipment
- Data Processing.
- Use of Microsoft Office.

Soft Skill

- Good communication skills.
- Team player.
- Detail oriented.
- Creative and highly motivated.
- Intermediate Foreign Language.

SUMMARY

Bachelor of Science in Biochemistry graduate from IPB University with a GPA of 3.78. Has a strong interest in working in the manufacturing sector and experience as an ASEAN Affairs Researcher and Laboratory Assistant (Physical Biochemistry and Basic Biology), where she successfully supported data analysis, scientific research, and laboratory activities in accordance with standards. With analytical skills, laboratory technique proficiency, and cross-team work, contributed to improving quality and operational compliance within the company.

WORK EXPERIENCE

BFI TECHNOLOGY **2024-2026**
Strategic & Digital Insight Analyst - Contract

- Conduct regional political, economic, and regulatory intelligence analysis across ASEAN to identify strategic risks and business opportunities.
- Analyze digital and policy-driven data trends to generate actionable insights supporting corporate planning and decision-making.
- Provide strategic recommendations to support organizational positioning, risk mitigation, and long-term corporate strategy.
- Drafted policy briefs, analytical reports, and written commentaries, and geopolitical and regulatory developments into business implications.

FOOD AND DRUG ADMINISTRATION **2024**
Food Safety Facilitator - Internship

- Studied food safety regulations and principles systematically to support assistance for processed food MSMEs.
- Assisted MSMEs in implementing Good Manufacturing Practices (GMP) to improve product quality and food safety.
- Supported the consistent implementation of Sanitation Standard Operating Procedures (SSOP) to ensure hygienic production processes.
- Provided targeted technical assistance proactively to help MSMEs comply with food safety standards.

DEPARTMENT OF BIOCHEMISTRY, IPB UNIVERSITY **2024**
Laboratory Assistant – Physical Biochemistry - Part-Time

- Assisted biomolecular analysis practicums, enzyme solubility tests, and chromatography experiments to ensure procedures were properly followed.
- Led structured discussions and interactive quizzes to enhance students' understanding of practicum concepts.
- Evaluated student performance objectively and consistently to assess practicum competency achievement.
- Supported smooth laboratory operations through supervision and coordination during practicum sessions.

DEPARTMENT OF BIOCHEMISTRY, IPB UNIVERSITY **2023-2024**
Laboratory Assistant – Basic Biology - Part-Time

- Guided practicums on bacterial staining, photosynthesis, and animal tissue observation systematically to ensure student comprehension.
- Facilitated structured practicum discussions and quizzes to increase participation and mastery of the material.
- Assessed practicum reports and examinations objectively.
- Supported smooth laboratory operations through supervision.

CERTIFICATE

- GMP (Good Manufacturing Practices) certificate, Makin Ahli, 2024.
- Successfully Completing The 7 Habits of Highly Effective College Students, IPB University, 2020.
- Microsoft Office and Design Certification, SMAN 1 Ciranjang 2019-2020.

ACHIEVEMENT

- 1st Place – Semar Scientific Poster Competition, Universitas Sebelas Maret, 2023.
- 3rd Place – Bioversary IPB Scientific Writing Competition, Department of Biology, IPB University, 2022.

ORGANIZATION EXPERIENCE

COMMUNITY OF RESEARCH AND EDUCATION IN BIOCHEMISTRY

General Treasurer | 2021-2022

- Managed budgets and work programs accurately to ensure orderly and sustainable organizational operations.
- Organized training activities and prepared systematic financial reports to enhance organizational transparency and accountability.

LEGISLATIVE ORGANIZATION OF PKU IPB STUDENTS

Treasurer, Media and Branding Division | 2020-2021

- Managed divisional budgets and finances accurately to support the effective execution of work programs.
- Managed social media accounts and designed event materials creatively to enhance organizational visibility and brand image.

AKU JUGA TERDAMPAK

Program Management Staff | 2020-2021

- Planned and coordinated community activities in a structured manner to ensure smooth and well-targeted program execution.
- Served as a professional Master of Ceremony to maintain event flow and participant engagement.
