PROFESSIONAL SUMMARY

Bachelor of Pharmacy graduate from Universitas Buana Perjuangan Karawang with practical experience in pharmaceutical production and quality control at LAFIAL. Experienced in raw material weighing, tablet compression, and tablet hardness testing while following GMP-compliant procedures. Research experience includes ZnO nanoparticle synthesis and characterization using XRD characterization and FTIR analysis. Interested in Quality Control, Quality Assurance, and Quality System within the pharmaceutical industry.

WORK EXPERIENCE

Lembaga Farmasi Angkatan Laut (LAFIAL) – Jakarta, Indonesia

1 – 28 Sept 2025

Pharmaceutical industry internship (Result : Good)

- Assisted in the manufacturing of effervescent vitamin C tablets in a pharmaceutical production environment.
- Performed raw materials weighing according to formulation requirement.
- Participated in tablet compression operations for effervescent vitamin C tablets
- Conduction tablet hardness testing to support product quality evaluation.
- Followed Good Manufacturing Practice (GMP) guidelines and maintained cleanliness and proper handling of production equipment

EDUCATION

University of Buana Perjuangan Karawang - Karawang, Indonesia

Aug 2022 - Aug 2026

Bachelor Degree in Pharmacy, 3.19/4.00

- Scientific & Research Projects
 - Development and Acceptability Testing of the "Beliwuh" Formula, a Reusable Hydrogel Fever Plaster Made from Starfruit (Averrhoa bilimbi L.)
- Thesis: Synthesis and Crystallographic Characterization Of ZnO Nanoparticles with Heating Temperature Variations Using The Molten Salt Method.
- Journal: Pharmacological Activity Of Sellaginella doederleini Hieron

SKILLS

Technical Skills

- Good Manufacturing Practice (GMP) / CPOB
- Pharmaceutical Production
- Quality Control
- Raw Material Weighing
- Tablet Hardness Testing
- UV-vis
- Dissolution Tester
- pH Meter
- FTIR Analipsis
- Microsoft Office

Soft Skills

- Analytical Thinking
- Attention to Detail
- Problem Solving
- Teamwork
- Communication

CERTIFICATION & TRAINING

- Certificate of Achievement TOEFL EPT by PT. DAILY CIPTA DWIPA (TOEFL : 460) Tahun 2025
- Internship at LAFIAL Drs. Mochamad Kamal Tahun 2025
- Implementation of Herbal in Pharmaceutical Science in The Field of Cosmetics Tahun 2024
- HALAL PRODUCT PROCESS SUPERVISOR TRAINING by BPJPH Ministry of Religion Tahun 2024
