Sukabumi

Professional Pharmacist graduate from Jenderal Achmad Yani University (3.75 GPA), highly oriented towards the pharmaceutical industry. Currently serving as the Supervising Pharmacist and Quality Assurance Supervisor at PT. Sariguna Primatirta, Tbk (August 2025–present). Possesses in-depth experience in implementing industrial quality systems, including active involvement in CPOTB (Good Manufacturing Practice) factory development, documentation preparation, distribution processes, internal audit execution, and ensuring product quality assurance with a strong focus on meticulousness and regulatory compliance.

Work Experiences

PT Sariguna Primatirta Tbk (Tanobel) - Parung Kuda, Sukabumi

Aug 2025 - Present

Quality Assurance Supervisor

- Spearheaded and actively participated in the establishment of a Traditional Medicine and Health Supplement Pharmaceutical Factory (CPOTB/OTSK), ensuring facility readiness and quality system compliance with regulations.
- Developed and drafted essential quality system documentation, including the Validation Master Plan (VMP), along with all Standard Operating Procedures (SOPs) for the qualification and validation of critical equipment and production processes.
- Executed regular internal audits to verify adherence to quality standards, and analyzed and led the implementation of Corrective Action Preventive Action (CAPA) derived from audit findings.
- Ensured that the entire distribution process complies with the Good Distribution Practices and relevant regulatory requirements.
- Fully responsible for the batch release of every product to the market, confirming that production and final inspection processes meet all Marketing Authorization requirements and defined quality specifications.
