

apt. Adina Yumnita Adani, S.Farm.

Pharmacist | Quality Control & Laboratory Analysis

0895321239018 | adinayumnitaa@gmail.com | 50192, Semarang, Central Java | linkedin.com/in/adinayumnitaa

PROFESSIONAL SUMMARY

Pharmacist with practical exposure to laboratory testing, quality control, and GMP documentation through a cosmetic manufacturing internship, pharmaceutical distribution internship, and academic laboratory work. Experienced in pH and viscosity testing under supervision, BMR review, retained sample inspection, and laboratory instrumentation (UV-Vis and HPLC). Familiar with CPKB/CPOB principles, Good Documentation Practice, and laboratory safety procedures, with strong attention to detail and commitment to quality and compliance.

CORE COMPETENCIES

Analytical & Laboratory

Analytical Instrumentation (UV-Vis & HPLC) – Academic Exposure • pH & Viscosity Testing • Reagent Preparation • Laboratory Equipment Handling

Quality Control & Documentation

Batch Record (BMR) Review • IPC Testing • Retained Sample Inspection • Quality Documentation & Good Documentation Practice •

GMP & Compliance

GMP Awareness (CPKB & CPOB) • SOP Compliance & Laboratory Safety Awareness

Additional Technical Knowledge

Validation & Qualification Concepts (Academic) • Analytical Method Validation (Academic) • CAPA Principles (Case-based Training)

PROFESSIONAL EXPERIENCE

QA/QC Intern (PKPA)

PT Urban Asia Industri — QA/QC Division | April – May 2025 | CPKB-Certified Manufacturing Company

- Supported Batch Manufacturing Record (BMR) review and production monitoring to verify completeness, accuracy, and compliance with GMP and Good Documentation Practice standards.
- Performed in-process control (IPC) testing, including pH and viscosity measurements under supervision, and documented results per GMP requirements.
- Conducted retained sample inspections to evaluate product quality attributes, labeling integrity, and storage conditions.
- Assisted in preparing Product Information Documentation (DIP) to support BPOM regulatory submission.

Pharmaceutical Distribution Intern (PKPA)

PT Zen Semitra Raya | October – November 2024 | CDOB-Certified Pharmaceutical Distributor

- Supported incoming goods inspection and routine physical stock reconciliation, comparing physical inventory with computerized records to ensure accuracy.
- Assisted inventory control by verifying batch numbers, expiry dates, and FIFO/FEFO implementation in accordance with GDP/CDOB requirements, and applied CAPA principles through case-based training in problem identification and root cause analysis.

Research Assistant to Lecturer

UNISSULA | 2023 – 2024

- Supported academic research through experimental assistance, literature review, scientific documentation, and data compilation for research projects.
- Provided editorial support for scientific journal manuscripts, including structure review, language editing, and formatting compliance.

ACADEMIC ACTIVITIES

Peer Mentor — UKMPPAI Preparation

STIFAR Yayasan Pharmasi Semarang | Oct 2025 – Jan 2026

- Supported fellow Pharmacist Profession students in preparing for the UKMPPAI through group discussions and review of pharmacy-related materials.

Laboratory Assistant

Pharmacochemistry Laboratory, UNISSULA | 2019 – 2022

- Conducted laboratory trial runs and prepared reagents, equipment, and materials to support practical sessions.
- Gained hands-on exposure to UV-Vis and HPLC instrumentation; guided pharmacy students while ensuring compliance with laboratory procedures and safety requirements.

ORGANIZATIONAL EXPERIENCE

- **Club Leader**, ASMEF – Scientific Writing & Research Club, UNISSULA (2021 – 2022)
Led the club activities; organized research methodology workshops and mentored members for scientific paper competitions.
- **Secretary, Interest & Talent Division**, Himpunan Mahasiswa Farmasi (Himafarma), UNISSULA (2020 – 2021)
Managed administrative documentation and coordinated student development programs.

EDUCATION

Pharmacist Professional Program, Profesi Apoteker — STIFAR Yayasan Pharmasi Semarang

2024 – 2025 | GPA: 4.00

Bachelor of Pharmacy, S.Farm. — Universitas Islam Sultan Agung (UNISSULA) Semarang

2018 – 2023 | GPA: 3.84

LICENSES & CREDENTIALS

- Surat Tanda Registrasi Apoteker (STRA) — Active, 2025
- Sertifikat Kompetensi Apoteker — Pharmacist Competency Certificate, 2025

ADDITIONAL SKILLS

Microsoft Office Suite (Word, Excel, PowerPoint) • Scientific Writing • Bahasa Indonesia (Native) • English (Intermediate)
