

Fildzah Alifah

Quality Control & Pharmaceutical Laboratory Enthusiast

+62-821-3008-3234 | [Email](#) | [LinkedIn](#)

SUMMARY

Pharmacist graduate with hands-on experience in pharmaceutical laboratory operations, GMP/CPOB, and quality systems. Skilled in laboratory analysis, experimental data evaluation, report verification, CAPA, Change Control, and document management. Familiar with SOP compliance and pharmaceutical testing processes, with strong analytical thinking, attention to detail, and problem-solving skills. Motivated to support reliable testing and ensure pharmaceutical product quality.

WORK EXPERIENCES

PHYSICAL PHARMACY LABORATORY – Medan

August 2023 – August 2025

Laboratory Teaching Assistant

- Managed laboratory equipment, chemicals, and materials for practical and research activities, ensuring readiness.
- Assisted with experimental data analysis and interpretation of laboratory results, supporting accuracy.
- Verified practical reports and experimental data for accuracy and completeness, improving reliability.
- Supported laboratory activities according to established procedures, improving laboratory preparation efficiency by 10%.

PT KALBIO GLOBAL MEDIKA – Cikarang [\[Certificate\]](#)

January 2026 – February 2026

Quality System and Compliance – GMP Compliance Intern

- Managed up to 10 CAPA records daily, ensuring evidence completeness, corrective-action tracking, and timely closure.
- Monitored up to 15 Change Control items daily, tracking overdue actions, approval status, and supporting documentation.
- Implemented document control practices and e-QMS migration, strengthening document traceability and accessibility.

PT MILLENIUM PHARMACON INTERNATIONAL – Medan

November 2025

Professional Pharmacist Internship

- Actively contributed to 4 pharmaceutical distribution stages: ordering, receiving, storage, and delivery.
- Verified product-order documentation, ensuring complete, accurate, and traceable distribution records.
- Submitted regulatory data through e-Report PBF and BPOM e-Was, supporting accurate and timely regulatory reporting.

RUMAH SAKIT UMUM PUSAT FATMAWATI – South Jakarta

March 2026 – April 2026

Professional Pharmacist Internship

- Monitored pharmacotherapy for 25+ inpatients and prepared 200+ outpatient prescriptions daily.
- Supported stock monitoring, expiry checks, and FIFO/FEFO, reducing stock discrepancies and expiry risk.

PUSKESMAS MARTUBUNG – Medan

October 2025

Professional Pharmacist Internship

- Processed and dispensed 70+ prescriptions daily and developed patient education materials.
- Reconciled inventory records and monitored cold-chain products for proper storage.

APOTEK MARITA – Medan

September 2025

Professional Pharmacist Internship

- Screened prescriptions and prepared, compounded, labelled, and dispensed medicines according to SOPs.
- Provided medicine information and maintained proper medicine storage and inventory.
