

WIJDAN FATHURRAHMAN

Pharmacist (Awaiting Professional Oath)

Depok, Indonesia | +62 851-7105-3182 | fathurwijdan@gmail.com | [linkedin.com/in/wijdanfathurrahman](https://www.linkedin.com/in/wijdanfathurrahman)

PROFESSIONAL SUMMARY

A pharmacy professional with practical experience in pharmaceutical manufacturing and production process improvement. Completed the Pharmacist Professional Program at the University of Indonesia, passed the national competency examination (UKOMNAS-PDPA) and been declared qualified by the Pharmacist Collegium. Possesses competence in GMP/CPOB, quality documentation, SOP compliance, and continuous improvement within a regulated manufacturing environment. Demonstrated ability to improve packaging line efficiency from 39-41 to 44-46 bottles/minute through a structured problem-solving approach. Strong leadership background in managing large teams and cross-functional projects.

EDUCATION

Universitas Indonesia | Depok, Indonesia

Professional Pharmacist Program

Aug 2025 - Aug 2026

- GPA: **3.71/4.00**
- Pharmacist Competency Examination (UKOMNAS-PDPA) : 91.0/100

Universitas Sriwijaya | Indralaya, Indonesia

Bachelor of Pharmacy

Aug 2021 - Apr 2025

- GPA: **3.92/4.00**
- Undergraduate Research Project: Stability and Skin Permeation Evaluation of Transfersomal Serum Containing Red Onion (*Allium cepa* L.) Peel Extract

PROFESSIONAL INTERNSHIP EXPERIENCE

PT. FARMASIA INOVASI MEGATRAIDING | Bogor, Indonesia

Professional Pharmacist Program Internship - Operational Department Intern

Feb 2026

- Managed storage and distribution of 5 pharmaceutical raw materials, achieving 100% traceability compliance and zero stock discrepancies.
- Reviewed up to 10 import documentation sets for raw materials from China and India to support regulatory compliance and supply continuity.
- Authored and revised 2 halal SOPs, coordinated with 2 divisions (Quality & Operations), and presented to 3 stakeholders (Manager, responsible pharmacist, and Director) to strengthen halal assurance in storage and distribution.
- Strengthened GDP/CDOB compliance by managing the distribution and ensuring audit readiness through SOP implementation.

PT. SOHO INDUSTRI PHARMASI | Jakarta, Indonesia

Professional Pharmacist Program Internship - Production Department Intern

Nov 2025 - Dec 2025

- Led an individual improvement project on a liquid production line (filling, capping, and cartoning stages) to identify and resolve bottlenecks, applying root cause analysis (DMAIC, Ishikawa diagram) to improve line efficiency from 39-41 to 44-46 bottles/minute.
- Conducted literature reviews and technical documentation for 2 products to support product quality, process safety, and compliance with pharmaceutical manufacturing requirements.
- Coordinated an internal improvement presentation event attended by 10+ teams, ensuring smooth execution and effective communication with 5 departments.
- Applied GMP/CPOB principles in production support and contributed to audit readiness and efficient line handovers.

LEADERSHIP EXPERIENCE

Student Association President | Pharmacy Program, Universitas Sriwijaya

Feb 2024 - Feb 2025

- Supervised and managed 143-member team across 10 divisions to execute 10+ programs within one year, achieving 100% program completion rate.
- Developed communication, leadership, and problem-solving skills through managing teams and organizational challenges.

SKILLS
