

APT. RANI AYU LESTARI, S.FARM

Padang, Indonesia | [+62 823-1154-4132](tel:+62823-1154-4132) | raniayulestari16@gmail.com | [linkedin.com/in/niayu-lestari](https://www.linkedin.com/in/niayu-lestari)

Pharmacy fresh graduate with a comprehensive understanding of GMP/CPOB, lean manufacturing, and the implementation of industry quality standards, supported by the ability to manage and schedule technical and functional competencies. Highly interested in pursuing a career in the pharmaceutical industry, particularly in Analytical Development. Detail-oriented, analytical, and quality driven, with strong communication, presentation, and coordination skills to effectively contribute to formulation, development, and continuous product quality improvement in compliance with industry standards.

EDUCATION

Universitas Andalas – Padang, Indonesia

August 2025 – August 2026

Professional Pharmacist Program | Cumulative GPA: 3.94/4.00

Universitas Andalas – Padang, Indonesia

August 2021 – February 2025

Bachelor of Pharmacy (S.Farm) | Cumulative GPA: 3.48/4.00

- **Thesis:** "Isolation of Secondary Metabolites and Antimicrobial Activity of Jerusalem Cherry Leaves (*Solanum pseudocapsicum* L.)"

WORK EXPERIENCE

PT. Lapi Laboratories

Analytical Development Intern

January – February 2026

- Developed and validated analytical test methods for suppository dosage forms (identification, assay, dissolution, softening time, and disintegration testing) in compliance with CPOB standards.
- Developed analytical test methods for pharmaceutical excipients by cross-referencing multi-monographs from international compendia/pharmacopeias (FI, USP, BP, JP, and ChP) beyond supplier Certificate of Analysis (CoA).
- Formulated cleaning validation protocols and executed swab sampling methods to evaluate residue recovery and ensure GLP compliance.
- Authored standard operational guidelines for newly qualified analytical instruments as well as preparation protocols for volumetric solutions, indicators, and solvents.
- Managed R&D documentation lifecycle, including retention auditing, sorting expired reference products, and systematic dossier archiving

KFTD Cabang Padang (PT. Kimia Farma Trading & Distribution)

Pharmacist Intern

December 2025

- Managed pharmaceutical and medical device distribution processes across receiving, storage, and dispatch using distribution logistics systems to maintain product quality and full traceability.
- Conducted stock control, batch monitoring, and expiry date monitoring for pharmaceutical SKUs to prevent stockouts and eliminate product expiration losses.
- Implemented proper storage management in full compliance with CDOB (GDP) and CDAKB standards.

Faculty of Pharmacy Laboratory, Universitas Andalas

Laboratory Assistant - Physical Pharmacy & Natural Product Chemistry

September 2023 – June 2025

- Instructed 25+ undergraduate students per class in Physical Pharmacy (Aug 2023 – Jun 2025) and Natural Product Chemistry (Feb 2025 – Jun 2025) while enforcing strict Good Laboratory Practice (GLP) standards.
- Guided hands-on physicochemical evaluations, including solubility studies, particle size analysis, viscosity measurements (Ostwald & Brookfield), and UV-Vis Spectrophotometry.
- Mentored students in phytochemical extraction techniques and evaluated academic performance across pre-tests, lab reports, and practical exams, achieving a 96% pass rate.

LEADERSHIP EXPERIENCE

Student Executive Board (BEM), Faculty of Pharmacy, Universitas Andalas

Head of External Relations Department

January – December 2024

- Led a team of 6 departmental staff to execute strategic external partnerships, institutional relations, and public outreach programs.
- Served as Person in Charge (PIC) for "Pharmacy Goes to School 2025", supervising execution across 40 high school visits in West Sumatra and reaching 1,000+ students.

Pharmazie Magazine – BEM Faculty of Pharmacy, Universitas Andalas

Editorial Coordinator

March – October 2024

- Led an editorial team of 8 members in publishing the faculty's official student magazine, managing content curation, layout drafting, and publication timelines.

Jejak Argya – Faculty of Pharmacy, Universitas Andalas

Secretariat Coordinator (Kestari)

February – July 2024

- Managed end-to-end official correspondence and administrative documentation, overseeing proposal archiving, formal letter drafting, and cross-departmental record-keeping

ISMAFARSI (Indonesian Pharmacy Students' Steering Board)

Staff of External Relations ISMAFARSI Sumatera 2

January 2022 – April 2024

- Coordinated networks across pharmacy student associations in 5 provinces (West Sumatra, South Sumatra, Bengkulu, Jambi, and Riau) and served as Official Delegate at the Regional Working Meeting in Palembang (Jan 2024).

Student Executive Board (BEM), Faculty of Pharmacy, Universitas Andalas

Secretary of External Relations Department

February – December 2023

- Managed departmental administration, official correspondence, and document archiving for 9 external engagement programs.
- Served as Project Officer for industrial benchmarking visits to pharmaceutical manufacturers and regulatory bodies (BPOM).

LKMMTD – Faculty of Pharmacy, Universitas Andalas

Consumption & Logistics Coordinator

April – August 2023

- Coordinated logistics and consumption operations for 100+ student participants and committee members, ensuring seamless schedule and vendor management.

HONORS & AWARDS

Faculty of Pharmacy, Universitas Andalas

Bintang Aktivis Kampus (Graduated Honor Award)

May 2025

- Awarded as the top graduating student honor for outstanding leadership, organizational dedication, and academic excellence throughout college.

BEM Faculty of Pharmacy, Universitas Andalas

Head of Department of the Year

November 2024

- Recognized as the most outstanding department head among all BEM divisions for exceptional leadership and project execution.

BEM Faculty of Pharmacy, Universitas Andalas

Staff of the Year

November 2023

- Selected as the best performing executive staff member based on performance review and departmental contributions.

Gema Syiar, Universitas Andalas

1st Place – Provincial Inspirational Story Writing Competition

December 2021

- Authored the 1st-place winning inspirational story "*Manusia Tanpa Alas Kaki*", recognized across provincial participants for its exceptional narrative structure, emotional depth, and creative storytelling.

SKILLS & ADDITIONAL

- **Laboratory & Analytical Skills:** HPLC - Fundamentals & Data Interpretation, UV-Vis Spectrophotometry, Karl Fischer Titrator, Viscometer (Ostwald & Brookfield), Hardness & Disintegration Testers, Semi-Solid Dosage Form Evaluation, Phytochemical Extraction.
- **R&D & Quality Control:** Analytical Method Validation, Cleaning Validation, Raw Material Qualification, Scientific Literature Review, Good Documentation Practice (GDP), Laboratory Administration.
- **Regulatory Compliance:** CPOB (GMP), CDOB (GDP), GLP Compliance, Pharmacopeia Multi-Monographs (FI, USP, BP, JP, ChP).
- **Software & Tools:** MS Office (Word, Excel, PowerPoint), Google Workspace, Canva.
- **Languages:** Native Indonesian, Professional Working English.
