Purwokerto

Licensed Pharmacist from Universitas Jenderal Soedirman with a GPA of 3.97/4.00 and hands-on internship experience in pharmaceutical manufacturing. Experienced in GMP (CPOB) Documentation, Quality Management Systems (QMS), SOP Review, Laboratory Documentation, and CAPA Awareness. Having a basic understanding of pharmaceutical quality standards, data integrity, and risk-based quality principles, with excellent analytical, organizational, and communication skills. Detail-oriented, adaptable, and committed to supporting Quality Assurance activities. Ready for continuous improvement and compliance throughout the pharmaceutical product lifecycle.

Jenjang Pendidikan

Universitas Jenderal Soedirman - Purwokerto, Indonesia

Feb 2025 - Apr 2026

Profession Pharmacist, 3.97/4.00

Universitas Jenderal Soedirman - Purwokerto, Indonesia

Sep 2020 - Aug 2024

Bachelor of Pharmacy, 3.47/4.00

Internship Experiences

PT Enseval Putera Megatrading Tbk - Purwokerto, Indonesia

Oct 2025

Pharmacist Intern

- Supported pharmaceutical distribution activities in accordance with Good Distribution Practices (GDP/ CDOB), including documentation control and regulatory compliance.
- Participated in warehouse inventory activities, including stock reconciliation and stock opname
- Assisted in monitoring of product returns and destruction processes in accordance with quality procedures.
- Observed pharmaceutical storage and transportation processes, including Critical Control Point (CCP) monitoring.
- Final Project: Reviewed and Evaluated SOP to ensure compliance with CDOB & CDAKB

RSUP Dr. Hasan Sadikin Bandung - Bandung, Indonesia

Aug 2025 - Sep 2025

Pharmacist Intern

- Gained comprehensive exposure to hospital pharmacy operations, including medication procurement, dispensing, and patient care.
- Provided daily drug information and medication counseling to 20+ patients in the Emergency Department.
- Supported Medication Therapy Monitoring (MTM) for patients with severe comorbidities, contributing to the optimization of pharmacotherapy
- Evaluated chemotherapy dose calculations against three months of inventory records to verify stock reconciliation and documentation accuracy.
- Final Project: Evaluation of Antibiotic use, using the Gyssens Method with WHO Aware Classification

PT Ferron Parr Pharmaceuticals - Bekasi, Indonesia

Jun 2025 - Jul 2025

QC Lab Pharmacist Intern

- Assisted in reviewing and updating SOP to support GMP compliance and QMS implementation.
- Assisted in documented reporting and investigated OOS product batches.
- Supported in incoming raw materials sampling activities in accordance with GMP requirements.
- Participated in GMP implementation through quality-focused laboratory activities.
- Participated in reviewing stability testing results for released products to verify continued compliance within specifications.
- Final Project: Supported laboratory capacity planning by analyzing 50+ analytical procedures for APIs, excipients, and packaging materials to improve operational planning and laboratory resource utilization.

Apotek Patikraja - Purwokerto, Indonesia

Apr 2025 - May 2025

Pharmacist Intern

- Provided pharmaceutical care through prescription dispensing, self-medication counseling, and drug information services.
- Managed inventory activities, including purchase orders, goods receiving, stock verification, inventory audits, and expiry monitoring.
- Final Project: Conducted and analyzed a customer satisfaction survey from 50+ loyal costumer in Apotek Patikraja to support continuous quality improvement in environment and pharmacy care for costumer.

Universitas Jenderal Soedirman - Purwokerto, Indonesia

Jun 2023 - Dec 2024

Laboratory Assistant

- Teached and guided 30–50+ undergraduate pharmacy students during laboratory practical sessions.
- Stimulated analytical techniques, including acid-base and redox titration, UV-Vis spectrophotometry, HPLC, TLC, extraction, and

phytochemical isolation.

- Demonstrated pharmaceutical compounding techniques for various dosage forms, including powders, ointments, creams, emulsions, and suspensions.
- Evaluated laboratory reports, analytical results, and pre-/post-laboratory assessments to ensure accuracy and compliance with laboratory standards.

Organisational Experiences

Soedirman Student Summit - Purwokerto, Indonesia

Apr 2022 - Aug 2022

PR & Publications Staff

- Supported public communication and promotional activities for university orientation events.
- Coordinated with internal committees and external stakeholders to gain sponsorship
- Formulated sponsorship strategies and successfully secured collaborations with 10+ partners for S3 promotions

HIMAFAR - Purwokerto, Indonesia

Apr 2021 - Dec 2021

Strategic Studies & Advocacy Staff

- Facilitated communication by gathering and representing student feedback to support organizational decision-making.
- Coordinated Q-Time with Kastrad, engaging 50+ pharmacy students in discussions on current pharmaceutical and healthcare issues to promote critical thinking and professional awareness.
- Served as Master of Ceremonies (MC) for academic forums and stakeholder discussions involving faculty members and external speakers, strengthening communication and public speaking skills.

Training & Skills

- **Skills:** Public Speaking, Task Time, Project Management, GMP Documentation, SOP Review, QMS, QRM, Data Integrity, Deviation & CAPA Awareness, Microsoft Excel, Microsoft Word
- **STR** 📄 (2026): Surat Tanda Registrasi Apoteker
- **Training** 📄 (2026): Good Laboratory Practices (GLP)
- **Training** 📄 (2026): QA & QC for Pharmaceutical Industries
- **Training** 📄 (2026): ISO 9001:2015 (Sistem Manajemen Mutu)
- **Training** 📄 (2026): Pemahaman CPOB dan CPOBAB: Regulasi, Implementasi, dan Kesiapan Menghadapi Audit

Purwokerto, 2026

Dear, HR Manager/HR Team

I am Yuniar, a Pharmacist graduate from Universitas Jenderal Soedirman with a GPA of 3.97/4.00, and I am writing to express my interest in this position at your company. I have a strong interest in the pharmaceutical industry, particularly in Quality Assurance, Quality Control, and quality systems, supported by my practical experience in pharmaceutical manufacturing and distribution environments.

During my professional pharmacy internship in the pharmaceutical industry, I gained exposure to various Quality Control activities and quality-related processes, including reviewing and revising Standard Operating Procedures (SOPs), supporting incoming material sampling activities, and reviewing Laboratory Test Reports (LHU) from finished product stability analyses. I was also involved in laboratory capacity planning, reagent requirement evaluation, and Product Quality Review (PQR) activities. These experiences provided me with a broader understanding of how different quality activities contribute to maintaining consistent product quality and supporting an effective pharmaceutical quality system.

To further strengthen my knowledge, I have also participated in several training programs covering Quality Management Systems based on ISO 9001, Out of Specification (OOS) reporting and handling, Corrective and Preventive Actions (CAPA), Good Laboratory Practice (GLP), Quality by Design (QbD), and the implementation of Good Distribution Practices (GDP/CDOB). In addition, my experience as a laboratory teaching assistant has supported my technical readiness to work in the pharmaceutical industry. Through this role, I became familiar with laboratory instruments and analytical techniques such as UV-Vis spectrophotometry, High-Performance Liquid Chromatography (HPLC), and Thin-Layer Chromatography (TLC), as well as analytical activities including assay, identification testing, and pH monitoring.

These experiences have strengthened my ability to understand pharmaceutical processes systematically, pay close attention to quality and procedural compliance, and work accurately with data and documentation. I am an adaptable and responsive individual who is able to work under pressure and has a strong willingness to learn and develop. I am eager to apply my knowledge and skills while contributing positively to the quality systems and objectives of your company.

I would appreciate the opportunity to further discuss how my background, skills, and experience could contribute to this company in the future. Thank you for your time and consideration. I look forward to the opportunity to discuss my application further.

Sincerely,

apt. Yuniar Hapsari, S.Farm
