EXECUTIVE SUMMARY

Licensed Pharmacist with exposure to pharmaceutical manufacturing and distribution operations, including raw material control, quality systems, and GMP compliance within regulated environments. Experienced in supporting and ensuring the accuracy, traceability, and documentation of raw materials across QC and warehouse processes, with strong understanding of material flow from receipt, sampling, and preparation to production readiness. Demonstrated ability to coordinate cross-functional activities, perform data verification, and support deviation awareness and investigation processes in alignment with GMP standards. Possesses strong analytical thinking, attention to detail, and leadership experience through organizational roles, with readiness to supervise operational activities, ensure compliance, and drive continuous improvement in dispensing and production support areas.

EDUCATION

Universitas Indonesia

Aug 2024 – Oct 2025

Professional Apothecary Degree (GPA: 3.83/4.00) - Cum Laude

Universitas Sriwijaya

Sep 2020 – Feb 2024

Bachelor's Degree in Pharmacy (GPA: 3.89/4.00) - Cum Laude

WORK EXPERIENCE

PT Mahakam Beta Farma

Jan 2025 – Feb 2025

Quality Control RM/PM Intern

- Performed quality control activities, including sampling and testing of 50+ raw materials, packaging materials, and water samples in accordance with SOPs, ensuring accuracy, traceability, and compliance with quality standards and GMP requirements.
- Supported Product Quality Review (PQR) by processing and analyzing data for 2 raw materials across 10 specification parameters, contributing to risk evaluation and continuous improvement.
- Managed retained samples and associated documentation to ensure traceability and audit readiness in line with quality system requirements.
- Assisted in controlled document management, including implementation of CPP and LPP revisions in compliance with QA standards and applicable regulatory requirements.
- Gained exposure to GMP manufacturing systems including qualification and validation documentation practices, deviation handling, and data integrity principles.

PT Enseval Putera Megatrading Tbk

Dec 2024

Quality Assurance Pharmacist Intern

- Performed supplier qualification and evaluation of 30+ pharmaceutical suppliers by reviewing quality and regulatory documentation to ensure compliance with BPOM standards and internal quality requirements.
- Conducted daily Genba observations in warehouse areas to assess storage practices and documentation accuracy in alignment with regulatory and quality system standards.
- Applied quality and compliance frameworks including CDOB, CDAKB, CPerPOB (SMKPO), SJPH, and ISO 9001:2015 to support pharmaceutical distribution quality assurance.
- Assisted in compliance monitoring and reporting in accordance with BPOM and Ministry of Health regulations as part of audit readiness and regulatory compliance activities.
- Gained exposure to qualification-related documentation and risk-based quality systems, supporting compliance with regulatory standards and audit readiness.

ORGANIZATIONAL EXPERIENCE

Himpunan Keluarga Mahasiswa Farmasi Universitas Sriwijaya

Treasurer

Feb 2023 – Feb 2024

- Led budgeting, financial documentation, and reporting for 30+ programs, ensuring controlled spending, cost transparency, and alignment with approved budgets.
- Acted as the main coordination point for 10+ departments, reviewing funding requests, clarifying discrepancies, and ensuring timely approval and allocation of resources.

Deputy of Treasurer

Feb 2022 – Feb 2023

- Coordinated monthly financial reporting by collecting, verifying, and consolidating financial data from multiple departments.
- Supported budgeting accuracy and cash flow planning by ensuring timely submission and validation of financial records.
