Surabaya, Indonesia

SUMMARY

I am a Pharmacist graduate from Universitas Airlangga with a strong interest in Analytical Development. During my undergraduate thesis, I developed solid skills in UV-Vis spectrophotometry, and through laboratory coursework, I gained hands-on experience operating HPLC, FTIR, and Dissolution Testers. I have a strong foundation in GMP and GLP standards, with a keen attention to regulatory compliance and analytical accuracy.

EDUCATION

Airlangga University | Apothecary (GPA : 3,78) **2025 - 2026**

Airlangga University | Bachelor of Pharmacy (GPA : 3,33) **2021 - 2025**
