WORK EXPERIENCES

Research & Development PT Mersifarma Tirmaku Mercusana – Depok

Staff of Formulation Development, Analytical Development, Compliance

Apr – May 2026

- Supported 295+ pharmaceutical product development, including formulation trials, stability studies (Real-Time & Accelerated Testing), and preparation of technical documents such as Master Formula, SPOT, MPOJ, and registration dossiers.
- Utilized Microsoft Dynamics 365 ERP to manage R&D documentation, master data, stability monitoring records, and quality-related information, supporting digital transformation initiatives.
- Participated in quality and compliance activities, including document control, traceability, validation documentation, CAPA implementation, and adherence to CPOB requirements.

PT Anugrah Argon Medica – Surabaya

Apothecary Intern

Nov 2025

- Supported the implementation of Good Distribution Practice (CDOB) across pharmaceutical distribution operations, including quality systems, warehouse management, cold chain monitoring, inventory control, and distribution processes to ensure product quality and regulatory compliance.
- Assisted in quality management and regulatory activities, including documentation review, internal audits, deviation handling, risk-based quality management (RCA & CCA), regulatory reporting, and cross-functional collaboration to maintain supply chain integrity.

PT Bio Farma (Persero) – Bandung

Manufacturing Excellence Department Intern

Jan – Mar 2025

- Conducted analysis on 200+ raw materials and 70 vaccine master data in Microsoft Dynamics 365 ERP, including routing, formula lines, and unit conversion to support digital transformation in manufacturing.
- Supported the 2025 Manufacturing Excellence Program, delivering reports and presentations on line balancing, TPM, lean synergy, and predictive maintenance (BiMA AI), impacting efficiency improvement across vaccine production lines.
- Collaborated with SCM, finance, and IT teams in ERP UAT & Data Migration, handling 11,000+ routing operations and preparing strategic materials for executive-level meetings and project reviews.
