Career Objective

Experienced Warehouse and Logistics Manager with over 10 years of hands-on experience in inventory management, supply chain optimization, warehouse operations, and team leadership across the pharmaceutical, manufacturing, and fulfillment industries. Adept at implementing Good Manufacturing Practices (GMP), managing ERP systems, streamlining logistics processes, reducing costs, and improving delivery efficiency. Proven ability to lead cross-functional teams, enforce regulatory compliance, and develop Standard Operating Procedures (SOPs) to enhance operational effectiveness. Seeking to contribute strategic planning and operational excellence in a senior warehouse or logistics role.

Experience

- **Warehouse and Logistic Manager** – PT. Tanamera Coffee Indonesia, Jakarta (Dec 2024 – Present)
 - Oversaw warehouse operations, inventory control, layout optimization, and equipment maintenance.
 - Led logistics, transportation coordination, and supply chain communication.
 - Directed production teams: coordination, quality control, and resource allocation.
 - Supervised staff hiring, training, and conflict resolution.
 - Ensured compliance with industry regulations and internal reporting procedures.
- **Warehouse and Logistic Manager** – PT. Bisawi Tumbuh Selaras, Jakarta (Jan 2024 – Dec 2024)
 - Handled day-to-day inventory control and supply planning.
 - Analysed stock levels and implemented control strategies.
 - Monitored consignment and near-expiry inventory.
 - Liaised with suppliers and conducted monthly audits.
- **Inventory Control Deputy Manager** – PT. Emudah Fulfillmen Indonesia, Bekasi (Oct 2022 – Aug 2023)
 - Coordinated and executed inventory allocation, tagging, and auditing.
 - Handled post-sale order processing and manpower planning.
 - Maintained cost control as per productivity metrics.
- **Warehouse Manager** – Batterjee Pharmaceuticals Factory, Saudi Arabia (Oct 2019 – Oct 2022)
 - Oversaw material movement, ensured GMP adherence, and maintained SOPs.
 - Led warehouse team operations and implemented process improvements.
- **Production Executive** – PT. Yung Shin Pharmaceuticals Ind. Indonesia (Mar 2017 – Sep 2019)
- **Production Specialist** – Yung Shin Pharmaceuticals (Malaysia) (May 2014 – Feb 2017)
 - Assured product quality and participated in company validation.
 - Improved manufacturing processes to reduce waste and increase output.
- **Head of Factory** – PT. Mega Intra Sejahtera, Jakarta (Jan 2013 – Mar 2014)
 - Established a new health and cosmetic factory, including system development.
 - Led product registration and compliance.
