

AHMAD AL - HAZEL HYDAR KHADAFI

Pharmacist

Depok, West Java, Indonesia • +6285708405386 • alhazel641@gmail.com

PROFILE

Pharmacist with 4 years of experience in the pharmaceutical and food raw material industries. Skilled in alternative raw material supplier development, product reformulation, raw material and product registration, and technology transfer. Proven track record in supporting production trials, validation, and regulatory compliance (BPOM & FDA). Adept at cross-functional coordination to ensure production continuity and quality standard compliance.

WORK EXPERIENCE

Manufacturing Technology Staff, PT Darya - Varia Laboratoria Tbk Dec 2022 - Present

Applied CPOB and both local and global quality management systems, including troubleshooting processes for existing and reformulated products. Experienced in technology transfer, cross-departmental coordination, supplier qualification, and continuous improvement (CI). Handled potential plant supply losses related to supplier qualification and product release (70–85%) during 2022–2025, with successful completion of 5 supplier qualifications per year. Actively contributed to dossier registration system development for new raw material suppliers, new products, and reformulated products. Skilled in Risk Management & Quality Management Systems (QMS), including internal and external audits, and CAPA implementation.

Pharmacist in Charge QA/QC, PT UNIChem Candi Indonesia Nov 2021 - Nov 2022

Developed and validated analytical methods for NaCl (Pharmaceutical Grade). Performed >500 QC tests, production process monitoring, and product release to ensure compliance with pharmacopeia standards. Involved in Risk Management & QMS, including internal and external audits, and CAPA improvements.
