Padjadjaran University

- Pharmacist Professional Program
- GPA 3.72/4.00

Faculty of Pharmacy

2022 - 2024

Bhakti Kencana University

- Thesis on "Antihyperuricemic Activity of Ethanol Extract of Kencur Rhizome (*Kaempferia galanga* L.) on Metabolic Syndrome Animal Models".
- GPA 3.47/4.00

Faculty of Pharmacy

2018 - 2021

Health Polytechnic of the Ministry of Health, Bandung

- Diploma Thesis on "Antianxiety Activity of Ethanol Extract of Cavendish Banana Peel (*Musa acuminata Cavendish*): In Vivo Study Using Elevated Plus Maze (EPM), Light Dark Test (LDT), and Open Field Test (OFT) Methods".
- GPA 3.29/4.00

ACHIEVEMENT

Program Beasiswa Medion - PT Medion Farma Jaya

Sponsored full or partial academic scholarships for top-performing students in (relevant field, e.g., Pharmaceutical Sciences, Life Sciences, Engineering). Provided networking opportunities including guest lectures by company leaders, integration into internal innovation initiatives, and access to career pathways within the organization.

ORGANIZATION

2018 - 2020

- Chairperson of the Student Leadership Basic Training (2019) Coordinator of the Student Resource
- Development and Organization Division (2020) Chairperson of the Forum Komunikasi Mahasiswa
- Poltekkes Asal Subang (FORKOMPAS) (2020) Head of the Pharmacy Department Student Class of
- Poltekkes Bandung 2018 (2018-2021)

PUBLICATION

TJNPR (Tropical Journal of Natural Product Research) - Q3

2025

- "Effect of *Kaempferia galanga* L. on *In Vitro* Xanthine Oxidase Activity and Arterial Stiffness in Hyperuricemia".

IJPST (Indonesian Journal of Pharmaceutical Science and Technology) - Sinta 2

2025

- "Therapeutic Synergy of Combined *Kaempferia galanga* and *Zingiber officinale* Extracts on Hyperuricemia-Induced Arterial Stiffness".

IJPST (Indonesian Journal of Pharmaceutical Science and Technology) - Sinta 2

2025

- "Therapeutic Potential of *Kaempferia galanga* L. Extract in Ameliorating Oxidative Stress and Metabolic Dysregulation in a Rat Model of Metabolic Syndrome".

MPI (Media Pharmaceutica Indonesia) - Sinta 4

2023

- "Aktivitas Antiansietas Ekstrak Etanol Kulit Buah Pisang Cavendish (*Musa acuminata Cavendish*): Studi *in Vivo* dengan Metode Elevated Plus Maze (EPM), Light Dark Test (LDT), and Open Field Test (OFT)".

ADDITIONAL INFORMATION

• Technical Skills

Dose calculation, Expert in operating Ms. Excel, Data Management, SPSS, Operate FTIR, Spectrophotometry UV-Vis

• Languages English (TOEFL : 471), Indonesian

• Soft skills Teamwork, Leadership, Analytic Skill, Communicative
