- Coordinated with QC, QA, PPIC, and Maintenance teams
- Resolved production issues and supported process improvement

PT MULTIBUANA CIPTA SEJAHTERA – JAKARTA

Cleaning Advisor (April 2025 – October 2025)

- Assist customers who have cleaning issues in their area (Quality/Production)
- Conducted a cleaning trial in production & quality areas at several companies
- Develop a new product - Goggles ISOFIELD & Handle a few events (ISPE & Seminars STERIS)
- Trainer for cleaning (Disinfectant, Cleaning Agent, Cleanroom tools) in the Pharmaceutical Industry

YAYASAN SATRIA BUDI DHARMA SETIA – TANGERANG

Genome Researcher Support (June 2024 – February 2025)

- Genomic research & Conducted a trial-and-error instrument
- Procurement & Administration for research
- Manage Researcher Team – collaborate with several universities in Indonesia
- Handling Workshop Project Genomics

INTERNSHIPS – BOEHRINGER INGELHEIM, BOGOR

Intern (June 2023 – May 2024)

 Internship Certificate_Boehringer Ingelheim.pdf  Portfolio Internship Boehringer Ingelheim_Putri Nur Rahmah Zam.pdf

- Rotation in three department; Quality Control, SCM-Production, Production Transfer & Production Technology

EDUCATION

DIPONEGORO UNIVERSITY

Student (August 2018 – November 2022)

 Ijazah S1_Bahasa Indonesia_Putri Nur Rahmah Zam.pdf

Bachelor of Science / Specification in Biochemistry – 3.25 out of 4.0

TRAINING

SUMMER SCHOOL (UNIVERSITY OF NOTTINGHAM) – ONLINE

Participant (September 2021 – October 2021)

 Summer Course Nottingham_Putri Nur Rahmah Zam.pdf

- Participated in FGDs on facemask supply chain challenges during COVID-19, including production, environmental impact assessment using Life Cycle Assessment (LCA), material and energy transfer simulations, and discussions on Industry 4.0, IoT applications, and global environmental issues

MODEL UNITED NATIONS – IPB, Bogor

Delegate of Lebanon (September 26th – 27th 2020)

 Model United Nations IPB_Putri Nur Rahmah Zam.pdf

- Promote sustainable agriculture and climate change as an act of empathy
- Found the best method for sustainable agriculture and climate change, especially in Lebanon

SEMINAR

- Application of Good Manufacturing Practice for Drugs (CPOB)
- Six Sigma Foundations & SCM Foundations
- STERIS - Good Cleanroom Practices - Contamination Control, Equipment Cleaning & Sterility Assurance
- Pharmacogenomics in Thailand

SOCIAL ACTIVITIES

VOLUNTEER – ONLINE

Tutor (August 2025 - Now)

- Science Tutor for entering university preparation (senior high school)

VOLUNTEER – TEMBALANG, SEMARANG

Teacher (August 2019 – March 2023)

- Teaching in elementary school and junior high school

CLIDE SHARING – TEMBALANG, SEMARANG

Teacher (April 2020 – May 2020)

 CLIDE Activity_Putri Nur Rahmah Zam

- Initiate the sharing program for people who were affected by COVID-19
