PROFILE

Experienced pharmacist in PPIC and Logistics at a big pharmaceutical manufacturing company. Proficient in production scheduling, monthly production capacity analysis, and material inventory control, with a proven track record of managing three production lines. Looking for opportunities to leverage expertise in Supply Chain Management.

EDUCATION

Professional Pharmacist (Apoteker) - Universitas Sanata Dharma Yogyakarta | Aug 2024 - Aug 2025 | GPA 3.86/4.00

Bachelor of Pharmacy (S.Farm.) - Universitas Sanata Dharma Yogyakarta | Aug 2020 - Jul 2024 | GPA 3.51/4.00

WORK EXPERIENCE

Production Planning and Inventory Control (PPIC)

PT. Glow Industri Herbal Care | May 2026 - Present

- Create production schedules for 2 production plants.
- Monitor production planning from PO through packing.
- Control raw and packaging material availability and readiness.
- Set production output targets and monitor execution against planned targets.
- Ensure materials are ready to support smooth and timely production.

Production Planning and Inventory Control (PPIC) Officer

PT. Beta Pharmacon (part of Dexa Group) | Oct 2025 - Apr 2026

- Master Production Schedule (MPS), handle 50-60 batches/month across 3 production lines (solid, liquid, and softgel) with high schedule adherence.
- Achieved 99.98% order fulfillment, exceeded >101% product release for 4 consecutive months, and ensured material readiness through coordination with QC.
- Coordinated with production, QA/QC, and warehouse for on-time batch execution.

Warehouse Officer

PT. Beta Pharmacon (part of Dexa Group) | Aug 2025 - Oct 2025

- Managed warehouse control system with robotic 4-way shuttle.
- Ensured material preparation for production was ready a maximum of 1 shift before the production process.
- Ensured FIFO/FEFO system implementation with material buffering control.
- Maintained warehouse occupancy within safe limits by coordinating inbound/outbound materials and finished goods.

Manufacturing Logistic Internship

PT. Global Onkolab Farma (a Kalbe Group) | Jan 2025 - Feb 2025

- Drafted User Requirement Specification for freezer and contributed to Operational Qualification and Installation Qualification reports.

Distribution Logistic Internship

PT. Kimia Farma Trading & Distribution site Surakarta (KFTD) | Oct 2024

- Performed daily stock opname (cycle count), verified invoice documentation accuracy, assisted pharmaceutical distribution to outlets, and handled NAPZA.

CERTIFICATION

Good Distribution Practice for Medical Device (CDAKB) | Direktorat Pengawas Alat Kesehatan dan Gakeslab Indonesia Prov. DI Yogyakarta

ORGANIZATION EXPERIENCE

- Lecturer research assistant - Publishing of Dikti journals about Pipper sp. | Jul 2023 - Oct 2023
- Chief Treasurers - Herbal Garden Team | Jan 2022 - Dec 2022

ADDITIONAL

Skill: Master Planning Schedule, Oracle & SAP System, Microsoft (VLOOKUP), project management practice, warehouse management, inventory control, languages Indonesian (native), and English (B2: Upper intermediate).
