SUMMARY

Fresh Public Health graduate from Universitas Hasanuddin with a concentration in Occupational Safety and Health (OSH) and AK3U certification. Experienced through internships in manufacturing and operational environments involving HIRADC, safety audit & compliance, EHS documentation, safety induction, PPE management, and first aid readiness management. Strong interest in workplace safety, risk management, and continuous improvement within industrial operations.

EDUCATION

Hasanuddin University <i>Bachelor of Public Health in Occupational Safety and Health Department</i>	Makassar, Indonesia 2021 - 2025
GPA: 3.95/4.00 Thesis Title: “The Relationship between Workload and Safety Climate on Safety Behavior among Ground Handling Workers of PT. Gapura Angkasa at Sultan Hasanuddin International Airport Makassar”. Relevant Coursework: Occupational Safety and Health Standards, Occupational Safety and Health Promotion, Emergency Preparedness, Industrial Hygiene, Industrial Psychology, Work Ergonomics.	

WORK EXPERIENCES

PT. vivo Mobile Indonesia <i>Environment, Health, and Safety (EHS) Intern</i>	Tangerang, Indonesia December 2025 – June 2026
- Conducted annual HIRA across five departments covering 50+ activities, identifying hazards, evaluating existing controls, and recommending additional measures. - Assisted in monthly safety audits across multiple manufacturing areas, documenting findings and preparing detailed reports on hazards and corrective action recommendations. - Designed a PPE matrix for 10+ high-risk activities, recommending specific PPE based on hazard type and referring to relevant national/international standards. - Reviewed and updated 50+ EHS regulations, identifying new regulatory requirements and evaluating organizational compliance. - Developed 6+ safety training materials and delivered safety induction for new employees. - Organized and maintained 30+ Safety Data Sheets (SDS), supporting hazard labeling and waste handling references for chemical materials. - Supported fire drill execution by monitoring evacuation time and preparing post-drill evaluation reports. - Performed monthly monitoring of first aid facilities, ensuring compliance, inventory availability, and timely replenishment of medical supplies. - Compiled monthly safety performance data, tracking key lagging indicators for internal reporting. - Drafted safety procedures, operational guidelines, and incident investigation forms to support standardized safe work practices.	
PT. Gapura Angkasa <i>Safety, Security, Quality (SSQ) Intern</i>	Makassar, Indonesia December 2024 – January 2025
- Prepared HIRADC for arrival area and apron operations, identifying hazards and recommending mitigation measures. - Assisted in physical and mental workload assessments, including heart rate and blood pressure monitoring. - Conducted undergraduate thesis research with 88 ground handling staff, analyzing the relationship between workload, safety climate, and safety behavior. - Gained hands-on experience in ground handling operations and apron procedures by assisting SSQ staff during daily activities and aircraft checks.	
PT. Angkasa Pura Indonesia (InJourney Airports) <i>Safety Management System & OSH Intern</i>	Makassar, Indonesia August 2024 – September 2024
- Managed 10+ first aid kits and tracked PPE inventory across office and airport facilities, restocking supplies, monitoring expiration dates, and recording stock data to maintain accurate inventory. - Developed and installed safety materials, including an MSDS poster as well as directional and cautionary signs across airport areas. - Assisted in preparing HIRADC documents for multiple areas, including departmental units, gates, baggage areas, apron, and airport powerhouse. - Developed a Job Safety Analysis (JSA) for a simulated construction project within airport facilities.	

- Assisted safety officers during safety inspections at airport terminals and ground handling operations, including fire extinguisher (APAR) checks, and accident investigations under supervision.
- Monitored compliance with SMK3 procedures under supervision, reporting any non-conformities according to PP 50/2012.
- Gained exposure to industrial hygiene practices by observing local OHS authority measurements, including chemical exposure and noise level monitoring.

VOLUNTEER AND ORGANIZATIONAL EXPERIENCES

Komite Anti Kekerasan Seksual Universitas Hasanuddin

September 2023 – September 2024

Staff of Media and Counseling Bureau

- Designed visual communication materials to support educational campaigns and committee programs.
- Contributed to the development of educational materials on sexual violence prevention and public awareness.

Kaderisasi Forma Kesmas BEM FKM UNHAS

July 2023 – August 2023

Organizing Committee – Health Division

- Conducted pre-event health screening and collected emergency contact information for 100+ participants.
- Prepared first aid kits and monitored participants' health, responding to potential medical issues.
- Delivered basic first aid for minor injuries throughout the program.

Inaugurasi dan Apresiasi Seni BEM FKM UNHAS

Juny 2022 – September 2022

Organizing Committee – Decoration Division

- Assisted in stage and venue decoration planning for a large-scale art event involving 200+ performers.
- Coordinated material preparation, assembly, and installation for major decoration components within event timelines.
- Collaborated with cross-functional committees to support event setup and operational readiness.

CERTIFICATION AND COURSES

- **General Occupational Safety and Health Expert (AK3U)** | *January, 2026*
Kementerian Ketenagakerjaan Republik Indonesia
- **Hazard Analysis Critical Control Point (HACCP)** | *December, 2025*
PT. Garuda Systrain Interindo
- **Good Manufacturing Practice (GMP)** | *December, 2025*
PT. Garuda Systrain Interindo
- **ISO 22000:2018 Food Safety Management Systems Awareness** | *December, 2025*
PT. Garuda Systrain Interindo
- **ISO 9001:2015 Quality Management Systems Awareness** | *November, 2025*
PT. Exagama Merapi Sertifikasi
- **ISO 14001:2015 Environmental Management Systems Awareness** | *November, 2025*
PT. Exagama Merapi Sertifikasi
- **ISO 45001:2018 Occupational Health and Safety Management Systems Awareness** | *November, 2025*
PT. Exagama Merapi Sertifikasi
- **Basic Fire Fighting** | *October, 2025*
PT. Garuda Systrain Interindo
- **Basic First Aid** | *October, 2025*
PT. Garuda Systrain Interindo
- **Training for Academic English** | *October 2023 - November 2023*
Language Services Unit of Hasanuddin University

AWARDS

- **Funding Awardee of Program Kreativitas Mahasiswa - Gagasan Futuristik Tertulis** | *August, 2024*
Direktorat Jenderal Pendidikan Tinggi, Riset, dan Teknologi – Kemendikbudristek RI

SKILLS

Core Competencies:

Hazard Identification, Risk Assessment & Determining Controls (HIRADC) • Safety Auditing & Inspection • Regulatory Compliance • Incident Investigation • PPE Management • Safety Induction & Training • Fire Safety & Emergency Response • First Aid Facilities Management • Graphic Design

Tools: Microsoft Office (Word, Excel, Power Point), Google Workspace, IBM SPSS, Canva

Language: Indonesia (Fluent), English (Upper Intermediate)
