SUMMARY

Pharmacy graduate (Valedictorian, GPA 3.79) and Apothecary student (GPA 3.95) from Universitas Indonesia with hands-on experience in pharmaceutical and clinical pharmacy. Interested in pursuing a career in the pharmaceutical industry, with practical exposure across quality assurance, distribution, and regulatory settings.

EXPERIENCE

Quality Assurance Intern — PT Kalbe Farma Tbk

Mar 2026 – Apr 2026

- Developed protocols and worksheets for performance qualification of 3 machines (mixing, coating, blistering) within one week.
- Developed databases for cleaning validation and change control management.
- Conducted 5 risk assessments for APIs and excipients based on safety, quality, functionality, and manufacturer.
- Reviewed batch records and gained exposure to qualification/validation, PQR, deviation, and CAPA.

Clinical Pharmacy Intern — University of Indonesia Hospital

Jan 2026 – Feb 2026

- Performed medication therapy monitoring for patients with complex comorbidities and participated in ward rounds.
- Rotated across 10+ pharmacy units, supporting dispensing and pharmaceutical operations.
- Delivered drug information services and conducted prescription reviews to identify potential drug-related problems.

Clinical Pharmacy Intern — Apotek Roxy Biak

Dec 2025

- Conducted prescription reviews, including polypharmacy assessment, and supported dispensing and compounding.
- Maintained stock records and supported inventory management.

Quality Assurance & Regulatory Affairs Intern — PT Tri Sapta Jaya (Kalbe Group)

Nov 2025

- Supported pharmaceutical product receiving, storage, and distribution in accordance with GDP/CDOB.
- Managed returned goods, analyzed temperature-logger data, supported supplier qualification, and updated marketing authorization records.

Clinical Pharmacy Intern — Puskesmas Kecamatan Cengkareng

Oct 2025

- Dispensed medications and provided drug information to outpatients.
- Managed pharmaceutical supplies, inventory, and patient education.

Directorate of Medical Devices Production and Distribution Intern — Ministry of Health

Jan 2024 – Feb 2024

- Prepared a comparative analysis report on drug registration systems between Indonesia and selected ASEAN countries.
- Gained exposure to medical device regulatory systems and registration processes.

Student Laboratory Assistant — University of Indonesia

Aug 2023 – May 2025

- Served as a laboratory assistant for four Pharmaceutical Technology practicum courses.
- Assisted in preparing practicum materials and supervising pharmaceutical technology laboratory sessions.

VOLUNTEER & ORGANIZATIONAL EXPERIENCE

External Manager Coordinator — Pharmacy Festival UI

Oct 2022 – Dec 2022

- Supervised and coordinated the design, decoration, publication, and documentation divisions.
- Collaborated with the project officer to develop and prepare event concepts.

Coordinator of Division 2 — Pemira IKM FF UI

Oct 2022 – Dec 2022

- Supervised and coordinated the design, documentation, decoration, publication, and public relations divisions.

Staff of Advocacy and Student Welfare Department — BEM FF UI

Feb 2022 – Dec 2022

- Served as a liaison between students and faculty and coordinated student welfare initiatives, including webinars, peer counseling, and scholarship programs.
- Served as Project Officer for BEROBAT 1, managing a survey with 185 respondents; awarded Best Staff with a final evaluation score of 96.33.

EDUCATION
