SUMMARY

I am an Apothecary graduated from Widya Mandala Catholic University Surabaya. I have a strong enthusiasm for pursuing a career as a professional pharmacist in the pharmaceutical industry, cosmetics, traditional medicine, clinical pharmacy, and pharmaceutical distribution, supported by my internship experience, work experience, and knowledge. I am a highly motivated, honest, disciplined, and diligent individual. I am capable of working independently as well as in a team, and I have a strong willingness to continuously learn and expand my knowledge. I am confident in my ability to deliver my best performance in the future.
